Naveen M

## OBJECTIVE

**Career Objective**
ECE graduate with knowledge of **embedded systems and electronics**, passionate about **Data Analytics** and data-driven problem solving. Seeking to apply skills in **Python, SQL and Excel** to turn data into actionable insights while leveraging my engineering background to solve real-world problems.

## INTERNSHIPS

**Intern** 12/2025 – 01/2026
*Chip Crafts Pvt. Ltd* Coimbatore
- Worked on embedded system prototypes involving microcontrollers and sensor interfacing.
- Gained exposure to practical IoT development and embedded system workflows.

**Intern** 06/2025 – 07/2025
*Zeekers Technology Solutions Pvt. Ltd* Coimbatore
- Worked on developing IoT prototypes and integrating sensors using Arduino and sensor modules.
- Participated in debugging and testing embedded hardware setups.

## EDUCATION

**B.E. Electronics and Communication Engineering** 2023 – 2027
*Nandha Engineering College (Autonomous)* Erode
CGPA: 7.99 (till 6th semester)

**Higher Secondary School** 2021 – 2023
*Ramakrishna Mission Vidyalaya, Swami Shivananda Higher Secondary School* Coimbatore
Percentage: 79.9%

## TECHNICAL SKILLS

**Programming**
Python ,SQL ,Java (Intermediate)

**Tools**
Arduino IDE, STM32CubeIDE

## CERTIFICATIONS

**Foundation of Virtual and Augmented Reality Systems**
Elite, Score: 66% – NPTEL

**Introduction to Industry 4.0 and Industrial Internet of Things**
Elite + Silver, Score: 77% – NPTEL

## PROJECTS

**An Intelligent Signal Suppression for Academic Integrity** 09/2026

- Designed an intelligent signal suppression system aimed at minimizing unauthorized electronic communication during examinations and promoting academic integrity.
- Developed a hardware-based approach to detect and suppress targeted wireless signals, supporting a controlled and distraction-free examination environment.
- Explored embedded systems integration and signal processing techniques to improve system reliability, with a focus on secure and fair examination practices.

## CO-CURRICULAR ACTIVITIES

- Secured 2nd place in Technical Quiz at Nandha Engineering College.
- Secured 4th Place in Anna University Zonal Cricket Tournament.
- Winner of Department-Level Cricket Tournament.
- Participated in multiple technical events, workshops.
