Government Higher Secondary School, Thottiyam. | Aggregate: 74%

SSLC **2020 - 2021**
St.Mary's High School, Thottiyam.

TECHNICAL SKILLS

Programming Language	Java
Web Technologies	HTML, CSS, JavaScript
Database	MySQL
Tools	Git, GitHub, Eclipse, VS Code
Soft skills	Problem solving, Leadership, Teamwork

AREA OF INTEREST

- Software Development
- Java Backend Development
- Web Application Development

PROJECTS

AI-Powered Smart Diet and Workout Assistant (Frontend and Documentation)

- Designed an AI-driven application that generates personalized diet plans and workout routines based on user health data.
- Integrated machine learning algorithms to analyze user inputs such as age, weight, fitness goals, and dietary preferences.
- Built an intuitive frontend interface and backend APIs enabling real-time recommendations and progress tracking.

Farm2Home – Empowering Farmers, Enriching Consumers (Frontend and Documentation)

- Developed a web platform connecting farmers directly with consumers, eliminating middlemen and improving farmer income.
- Implemented features including product listing, order management, and secure payment workflows.
- Designed the database schema and backend logic for user registration, product catalog, and transaction records.

INTERNSHIP EXPERIENCE

Web Development Intern

Aiverz Technology **June 2025 - July 2025**

- Designed and modified responsive web pages using HTML, CSS, and JavaScript with basic user-friendly layouts.
- Assisted in testing website features, identifying issues, and improving overall functionality and performance.
- Collaborated with team members to understand web development workflows and industry practices.

Full Stack Development Intern

Epix Designs **Nov 2025 - Dec 2025**

- Developed simple web application modules using frontend and backend development concepts.
- Worked with forms and databases to store, retrieve, and manage application data effectively.
- Used GitHub for project management, code storage, and version tracking activities.

ACHIEVEMENTS & ACTIVITIES

- Selected in a National Level 24-Hour Hackathon at Jeppiaar Institute of Technology, Chennai also participated in a hackathon spanning New Prince College of Engineering and Selvam College.
- Presented a paper on Wireless Communication among 10+ teams at KPR Institute of Engineering and Technology, Coimbatore Institute of Technology, and Kongu Engineering College.

EXTRA CURRICULAR ACTIVITIES

- Secured First Place in Kabaddi during the College Sports Day competition
- Active member of the Multimedia Club.

PERSONAL DETAILS

Languages Known - Tamil, English

Hobby - Playing Kabaddi

Your's faithfully:
