SUMMARY

6 years of building brands people actually remember. Worked across crypto, immigration, fintech, edtech and real estate handling brand identity, visual identity, creative direction and high-volume campaign execution across multiple brands at once. **500+** creatives for one event. **40+** assets every week. Solo. Full Adobe suite, Figma, CorelDRAW, Premiere Pro, After Effects and CapCut. Photoshop scripting when the volume gets big. Experienced in brand guidelines, marketing collateral, typography and cross-platform visual storytelling across digital and print.

WORK EXPERIENCE

Graphic Designer & Video Editor | OpenVenture

Apr 2025 - May 2026 | Remote

- Managing visual identity, brand guidelines and collateral as sole designer for **5 brands** simultaneously — OpenAdmits, OpenAtlas, Open Invests, Shoutstart and Visa Architect
- Delivered **500+** creatives for the OpenAtlas Annual Conference 2025 and maintaining **40+** assets weekly across social media, Meta Ads Creatives, event flyers, webinar banners, thumbnails, reels and print
- Developed complete visual systems for ShoutStart, Visa Architect and OpenVenture in 10 days each - from creative brief to market-ready launch
- Running Photoshop automation scripts for company-wide rebrand, cutting production time by 50% and achieving 100% consistency across all assets

Creative Head | KS Academy

Dec 2023 - Jan 2025 | Chennai, India . On-site

- Directed end-to-end creative strategy and campaign execution across **7+ branches** ensuring consistent visual language and brand guidelines
- Managed a team of **3 graphic designers, 1 video editor and 1 content creator** overseeing briefs, quality control and on-time delivery
- Built the foundational design system and typography framework that scaled across all **7 branches** covering social media, brochures, print materials and digital assets
- Produced **30+ promotional videos** monthly for social media, paid advertisements and brand storytelling

Head of Design | PadmonDAO Launchpad
Jan 2022 - Oct 2023 | Remote

- Led all creative operations and brand strategy for a blockchain launchpad translating complex concepts into clear visual identity and marketing collateral
- Managed a creative team of **5 people**, overseeing design briefs and production across a fast-moving crypto market
- Drove business development efforts with **6 strategic partnerships**, contributing to brand positioning and early stage market growth

Freelance Graphic Designer | Self-Employed
Apr 2020 - Jan 2022 | Remote

- Delivered **25+** projects across blockchain startups, fintech brands, real estate agencies, hospitality businesses and e-commerce platforms
- Produced brand identities, launch collateral and social media campaigns for **25+** multi-million dollar projects
- Handled full project lifecycle independently from client brief and concept through to final delivery across digital and print
