PROFESSIONAL SUMMARY

A detail-oriented B.Sc Mathematics graduate (2024 passout) with 1 year of professional experience as an SMT (Surface Mount Technology) Operator at Tata Electronics Product Solutions (TEPS) in Hosur. Seamlessly blends logical reasoning, analytical evaluation, and structural accuracy derived from a mathematics background with hands-on technical proficiency in automated electronics manufacturing lines. Proven competence in operating high-speed equipment, managing line component replenishment, and maintaining strict quality control parameters to reduce manufacturing defects.

TECHNICAL & KEY SKILLS

SMT Electronics Operations: Automated Pick & Place Machinery, Solder Paste Printers, Reflow Oven Settings, Component Loading & Feeder Setup

Quality & Inspection: PCB Board Inspection, Automated Optical Inspection (AOI) Monitoring, Component Verification, Defect Identification

Core Competencies: Mathematical Foundations, Analytical Problem Solving, Production Log Documentation, High Attention to Detail, ESD Safety Compliance

WORK EXPERIENCE

SMT Operator / Technician **Sep 2025 – Nov 2026**

Tata Electronics Product Solutions (TEPS), Hosur, Tamil Nadu *1 Year of Experience*

- Operated and actively maintained automated SMT production assembly lines, managing surface mount equipment setups safely.
- Verified system programming feeds, monitored solder paste printing thickness, and accurately replenished multi-layered circuit board components.
- Conducted thorough initial board visual checks and monitored Automated Optical Inspection (AOI) alerts to completely isolate soldering or placement defects.
- Applied logical analytical mathematical methods to instantly troubleshoot machinery misalignments, maximizing shift throughput and reducing line downtime.
- Documented rigorous production logs, component tracking sheets, and output metrics while maintaining strict compliance with company standard operating procedures.

EDUCATION

Bachelor of Science (B.Sc.) in Mathematics **Graduated: 2024**

Kavitha's College of Arts and Science (Affiliated with Periyar University) *Tiruchengode, Namakkal, TN*

Relevant Modules: Operations Research, Statistics, Numerical Analysis, Mathematical Modeling, Advanced Calculus, and Logic & Reasoning.

PERSONAL DETAILS

Permanent Address: Namagiripettai, Rasipuram Taluk, Namakkal District, Tamil Nadu – 637406

Languages Known: Tamil (Native / Fluent), English (Professional Working)
