M.SURENDHAR

BIOMEDICAL ENGINEERING STUDENT

Salem, Tamilnadu | 8838453880 | msurandharmsurandhar501@gmail.com

PROFILE SUMMARY

Motivated and dedicated Fourth-Year Biomedical Engineering student with practical experience in biomedical equipment assembly, maintenance, troubleshooting, and IoT product development. Completed implant training at Anchor Medical Devices and an internship at NeuraAI Solutions. Strong analytical, problem-solving, and teamwork skills with a passion for medical technology and healthcare innovation. Eager to contribute to the biomedical industry while continuously enhancing technical and professional skills.

ACADEMIC EXPERIENCE

- Successfully completed a 15-day Implant Training at Anchor Medical Devices, Salem, gaining hands-on experience in NICU equipment assembly, equipment handling, maintenance, and troubleshooting.
- Successfully completed a 15-day Internship in IoT Product Development at NeuraAI Solutions Private Limited, Tiruchengode, working with Arduino, ESP8266, ESP32, and biomedical sensors.
- Participated in a One-Day Industrial Visit at Atheenapandian Private Limited, Coimbatore, gaining exposure to biomedical equipment manufacturing and servicing.
- Attended an Industry-Sponsored Workshop on Wearable Health Monitoring Systems conducted by KSR Institute of Engineering and Technology in association with WearableMEMS Private Limited.
- Developed technical knowledge in biomedical instrumentation, medical devices, IoT applications, and healthcare technologies through academic and practical learning.

EDUCATION

B.E. Biomedical Engineering

Annapoorana Engineering College, Salem
2023 – 2027 (Pursuing)

SKILLS

Technical Skills

Biomedical Instrumentation,IoT Fundamentals, Medical Electronics

Soft Skills

Communication, Teamwork,Problem solving,Time managemen

LANGUAGES

- Tamil
- Engilsh
