Santhosh N

Salem, Tamil Nadu
B.Tech. Mechatronics | santhosh2004@gmail.com | +916374087859

PROFESSIONAL SUMMARY:

Motivated Mechatronics Engineering student with a solid academic foundation and hands-on exposure through academic projects. Skilled in automation, PLC programming, and problemsolving, with a strong interest in industrial operations, safety, and sustainable engineering practices. Eager to apply technical knowledge, learn from real-world challenges, and contribute to the growth and innovation of the organization.

EDUCATIONAL QUALIFICATION:

QUALIFICATION	INSTITUTE	MARKS	YEAR
B. Tech. Mechatronics	Sastra Deemed University, Thanjavur, Tamil Nadu.	6.98-CGPA	2022–26
Class 12 (CBSE)	Glazebrook Public School, Salem, Tamil Nadu.	70.8%	2022
Class 10 (CBSE)	Glazebrook Public School, Salem, Tamil Nadu.	72%	2020

SKILLS:

- Technical Skills: Hydraulic and Pneumatic System Design, PLC System Design, Control Systems, STM32.
- Software: MATLAB, CoppeliaSim, Visilogic, LabVIEW, STM32CubeIDE, SQL.
- Programming Languages: PLC Programming, Python.
- Soft Skills: Teamwork, Problem-Solving, Time Management, Leadership, Creative Thinking, Discipline.

CERTIFICATIONS:

- Essentials of AI for STEM Graduates – HCL.

PROJECT: DESIGN AND DEVELOPMENT OF AN ELECTRO-MECHANICAL SECURITY SYSTEM FOR CARGO VEHICLES

- Designed and developed a smart cargo vehicle security system using ESP32 microcontroller.

- Integrated IR sensors, ADXL345 accelerometer, RFID reader, LCD display, relay module, and Bluetooth communication.
- Implemented real-time detection of cabin intrusion, wheel theft, battery theft, rear-side intrusion, and tarpaulin tampering.
- Developed an RFID-based access control system for authorized vehicle access.
- Enabled real-time mobile notifications using Bluetooth and Serial Bluetooth Terminal application.

INTERNSHIP: ASHOK LEYLAND – HOSUR PLANT 1

- Gained hands-on exposure to large-scale commercial vehicle manufacturing processes and assembly line operations.
- Learned production planning, workflow management, and manufacturing execution practices.
- Observed quality inspection procedures and quality control measures followed during production.
- Understood Lean Manufacturing concepts, including 5S workplace organization and continuous improvement practices.
- Learned industrial safety standards, PPE usage, and Standard Operating Procedures (SOPs) followed in the plant.
- Developed an understanding of cross-functional coordination between Production, Quality, Maintenance, and Stores departments to ensure efficient manufacturing.

EXTRA-CURRICULAR ACTIVITIES:

- **College Dance Team Member** – Participated in intra-school competitions and performances, developing teamwork**,** time management, discipline, and creative problemsolving skills.
- **Football Player, GMFC Club, Salem** – Engaged in club matches and events, developing leadership, discipline, strategic thinking, and collaboration under pressure.

LANGUAGES KNOWN:

- English.
- Tamil.

HOBBIES:

- Fitness & Discipline-Oriented Activities.
- Creative Design.
- Driving**.**
