SUMMARY

Aspiring Software Developer and Web Developer with hands-on experience in developing responsive web applications using HTML, CSS, JavaScript, React.js, Java, MySQL, and MongoDB trough academic, Strong foundation in Object-Oriented Programming (OOP), Database Management Systems (DBMS), SQL, and software development principles. Experienced in building full-stack and front-end projects, collaborating in team environments, and delivering user-friendly solutions. Seeking an entry-level Software Developer, Web Developer, Front-End Developer, or Associate Software Engineer role.

TECHINICAL SKILLS

Programming Languages: Java, MySQL and Oracle Sql

Frontend: HTML5, CSS3, JavaScript, React.js

Databases: MySQL,MongoDB

Core Concepts: OOPS, DBMS, SDLC, Responsive Web Design, Basic Data Structures

CERTIFICATIONS

Web Development (HTML, CSS & JavaScript) - **Coursera**
• Completed training in HTML5, CSS3, and JavaScript fundamentals.
• Developed responsive and interactive web pages using modern web development practices.

PROJECTS

TRAVELOG – Full Stack Travel Itinerary Management System

- Developed a full-stack web application using React.js, MongoDB, Express.js, and Node.js.
- Implemented secure user authentication, authorization, and CRUD operations.
- Optimized MongoDB database schemas for efficient data management and scalability.
- Integrated frontend and backend API to deliver a seamless user experience.
- Applied responsive web design principles for cross-device compatibility.
- Tools Used: MERN Stack

EURTECH – Responsive Business Landing Page

- Built a responsive web application using React.js, HTML, CSS, and JavaScript.
- Developed reusable UI components and improved application performance.
- Ensured mobile-friendly design and enhance user experience across devices.
- Tools Used: React.js

EDUCATION

Bachelor of Engineering (Electronics and Communication Engineering)

Sri Krishna College of Technology | Aug 2022 – Apr 2026

Relevant Coursework: Programming Fundamentals, Web Development, Database Management

ADDITIONAL STRENGTHS

Languages Known: Tamil, English

Problem Solver: Demonstrated strong analytical and problem-solving skills by identifying challenges, evaluating solutions, and implementing effective approaches during project development

Event Organizer: Successfully organized a college-level event, managing planning, coordination, and team delegation

Team Collaboration: Worked effectively in group projects, contributing to both planning and execution

Decision Making: Took initiative in resolving team issues and making quick decisions under pressure

Time Management: Balanced academics, event planning, and leadership responsibilities efficiently

Quick Learner: Acquired new skills quickly and applied them in real-time project situations
