HARSHAVARDHAN P

ELECTRONIC & COMMUNICATION ENGINEER

5/423, Pappampadi, Sinnappampatti, Salem Tamil Nadu- 636306

Contact Number: 7339693218

Email id: harsh0707205@gmail.com **LinkedIn:** linkedin.com/in/harshavardhan-p-67a48b29a

CAREER OBJECTIVE:

Electronics and Communication Engineering graduate seeking a core ECE role where I can apply my knowledge of electronic circuits, analog and digital systems, communication engineering, and signal processing to contribute to innovative engineering solutions.

EDUCATION:

- Presidency Higher Secondary School, Puducherry
- SSLC – All Pass (2020-2021)
- HSC – 89% (2022-2023)
- B.E –Electronics and Communication Engineering in Government College of Engineering, Salem (2023-2027)
- CGPA=7.06/10

RELAVANT COURSEWORKS:

- Microprocessor and Microcontrollers
- Embedded Systems
- Analog and Digital Electronics
- Circuit Theory and Network Analysis
- Control Systems
- IoT

WORKSHOPS:

- Hands-on training in Measuring Instruments
- Embedded Systems With IOT

PROJECT:

- Railway track crack detection system
- EV charging detection prototype

TECHNICAL SKILLS:

- Analog circuit Design and debugging
- Hands-on with Arduino and Raspberry Pi

CERTIFICATES:

- Paper Presentation (The Role of MOSFET Advancement) at GCE Erode.
- All Technical Events at GCT Coimbatore
