PROFESSIONAL SUMMARY

Final-year Electronics and Communication Engineering student with hands-on experience in full stack Java development and Salesforce fundamentals through internship training. Skilled in Python and C++, with a project background in automated attendance systems using face recognition. NPTEL-certified in IoT, 5G Wireless Standards, and Python for AI & ML. Strong presentation and communication skills; seeking a Software Development or Electronics/IoT internship to apply technical and problem-solving skills in a real-world environment.

EDUCATION

Bachelor of Engineering (B.E.) — Electronics and Communication Engineering *Expected 2027*

Vivekanandha College of Technology for Women

CGPA: 8.52

INTERNSHIP & TRAINING EXPERIENCE

Internship Trainee — Salesforce

PwC (PricewaterhouseCoopers)

- Completed training as an Internship Trainee focused on Salesforce fundamentals, including CRM concepts, platform navigation, and basic customization.
- Gained exposure to enterprise CRM workflows and cloud-based business applications.

Full Stack Java Development — Training Program *15 Days*

MEE Technologies

- Completed a 15-day intensive training program on Full Stack Java Development, covering core Java, front-end basics, and back-end fundamentals.
- Built foundational understanding of full stack application development workflow.

PROJECTS

Automated Attendance System for Rural Schools

- Developed an automated attendance system using face recognition technology to accurately track student attendance in rural schools.
- Designed the system to reduce manual record-keeping and improve accuracy and efficiency of attendance management.

CERTIFICATIONS

- NPTEL Certification — Internet of Things (Score: 82%)
- NPTEL Certification — 5G Wireless Standard Design (Score: 52%)
- Python for AI & ML — Workshop Certificate

ACHIEVEMENTS

- Achieved Silver + Elite grade in NPTEL Internet of Things (IoT) certification.

SKILLS

Programming Languages: Python, C++

Software Tools: MS Word, MS PowerPoint

Domains: Full Stack Java Development, Salesforce/CRM Basics, IoT, Face Recognition Systems

Soft Skills: Presentation Skills, Communication, Teamwork
