Executive Summary

Motivated Mechanical Engineering student with a strong interest in CAD Design, Manufacturing Technology, and Product Development. Actively building a solid foundation in design principles, manufacturing processes, and technical problem-solving. Hands-on experience in SAE vehicle design and fabrication projects with exposure to chassis design, material selection, and manufacturing practices. Skilled in CAD tools and eager to grow into design and manufacturing engineering roles.

Educational Qualification

B.E. Mechanical Engineering, Velalar College of Engineering and Technology, Erode (2023–2027) – CGPA: 7.03 (till 5th Semester)
HSC – New Ideal Higher Secondary School, Erattaikaradu (2022–2023) – 57.5%
SSLC – New Ideal Higher Secondary School, Erattaikaradu (2020–2021) – All Pass

Technical Skills

Design & Modeling: AutoCAD, SolidWorks, Creo
Design Exposure: Chassis Design, Vehicle Fabrication
Manufacturing Exposure: Manufacturing Technology, Material Selection
Other Skills: Canva

Area of Interest

- CAD Design
- Manufacturing Technology

Projects

SAE Two Wheeler Project:
- Designed and fabricated an SAE standard two-wheeler involving chassis design, CAD modeling, material selection, and manufacturing.

Mini Project:
- Developed a strong, lightweight, and cost-effective frame for an electric two-wheeler.

Certifications & Achievements

• Participated in SAEINDIA Student Convention – Manufacturing Event (Welding – NLSC-WLD), LICET, Chennai.
• Received Best Design Award in Electric Bike Racing Challenge (ECO Ride-X) at ARIVOLI-2K25.
• Participated in DRDO Sponsored National Level Seminar on Smart Materials for Security Solutions.

Internship / Implant Training

Diesel Loco Shed, Erode (5 Days)
• Studied diesel locomotive engine components, maintenance, overhauling, inspection, and troubleshooting.

Sakthi Sugars, Erode (10 Days)
• Understood sugar manufacturing processes, plant operations, boiler and turbine systems, and industrial maintenance practices.

Co-Curricular Activities

• Active member of SAE Student Chapter.
• Participated in SAE two-wheeler design and fabrication project.
• Involved in vehicle testing, troubleshooting, and design improvements.

Extra Curricular Activities

• Member of Rotaract Club and contributed to club activities.
• Participated in cricket and other inter-department sports events.
