Professional Summary

Learning, Innovation & Program Management professional with 13 years of experience across academic operations, learning & development, capacity building, STEM education, community outreach and technology-enabled learning. Experienced in designing and implementing learning programs, teacher development initiatives, annual program plans, curriculum tracking systems and data-informed learning interventions across K–12 education.

Proven ability to train 500+ educators, monitor learning outcomes, track trainer competencies, use Power BI-supported analytics, coordinate CSR and government-school outreach, develop program proposals, manage stakeholders and execute multi-dimensional educational initiatives. Experienced in collaborating with institutional leaders, educators, government education ecosystems, external mentors and innovation partners. Passionate about using technology, data and collaborative leadership to create equitable, scalable and sustainable educational impact.

Core Skills

Learning & Capacity Building

Learning Program Design · Training Facilitation · Teacher Capacity Building · Training of Trainers (ToT) · Workshop Delivery · Coaching & Mentoring · Learning Experience Design · Leadership Development

Program Leadership & Impact Management

Academic Program Management · Annual Program Planning · Monitoring & Evaluation (M&E) · KPI & Learning Outcome Tracking · Program Review Frameworks · Impact Reporting · Data Interpretation · Continuous Improvement

Community & CSR Engagement

Volunteer Engagement · Community Outreach · CSR Program Coordination · Government School Engagement · Stakeholder Relationship Management · Partnership Development · Educational Equity Initiatives

Operations & Resource Management

Resource Allocation · Budget Planning Support · Vendor Coordination · Training Logistics · Inventory & Lab Management · Utilization Tracking · Program Execution

Digital Learning & Analytics

Microsoft Teams for Education · Office 365 · Google Workspace · School ERP & Entrar AI App · LMS Coordination · Microsoft Forms · Power BI Reporting · Learning Analytics · AI in Education · Blended Learning Models

STEM & Innovation Ecosystems

STEM Education · Robotics · Artificial Intelligence · Design Thinking · Computational Thinking · IoT & Prototyping · ATL Operations · School Innovation Council · Innovation Competitions

Education

B.E., Mech Engg **2009-13**

University College of Engineering
(A Constituent College of Anna University, Chennai)

Experience

STEM L&D Program Manager **2019-Present**

M S Dhoni Global Schools with Shree Sharada Educational Trust

- Lead STEM, ATL and innovation initiatives integrating AI, robotics, coding, IoT, design thinking and experiential learning across K–12 education while mentoring students for state, national and international competitions.
- Design and facilitate teacher capacity-building programs, blended learning initiatives, stakeholder engagement activities and technology-enabled academic operations aligned with NEP 2020 and future-ready learning.
- Lead annual STEM program planning, implementation roadmaps, academic calendars, activity plans, project proposals and resource planning aligned with institutional priorities.
- Developed and implemented curriculum tracking, learning-outcome monitoring and trainer competency/skill-matrix systems, using Microsoft Forms and Power BI-supported reporting to identify gaps and support data-informed decisions.
- Coordinate school CSR and ATL Community Day initiatives providing hands-on STEM learning opportunities for government-school and underserved students, supporting equitable access to technology-enabled education.
- Collaborate with NITI Aayog, Atal Innovation Mission, Ministry of Education, School Innovation Council, educational institutions, mentors and external partners to strengthen innovation ecosystems and institutional partnerships.
- Lead the interdisciplinary implementation of CBSE Computational Thinking and Artificial Intelligence frameworks for Classes 3–8, supporting the integration of emerging technologies beyond the STEM classroom.

Academic Course Head **2017-2019**

T.I.M.E. Pvt. Ltd. Hosur

Academic Operations · Batch & Resource Planning · Stakeholder Communication · Curriculum Planning · Learning Outcome Tracking · Program Execution · Performance Analytics · Operational Reporting · Team Coordination

- Managed end-to-end academic operations for competitive examination programs including planning, scheduling, faculty coordination, learner engagement, and performance monitoring.
- Tracked student performance metrics, assessment outcomes, and academic progress to support continuous improvement and effective intervention planning.

Competitive Exam Trainer **2013-2017**

Chennai & New Delhi

Aptitude & Reasoning Training · Classroom Facilitation · Learner Engagement · Public Speaking · Content Development · Assessment Support · Mentoring

- Delivered training programs focused on analytical reasoning, aptitude development, communication skills, and learner engagement for competitive examination aspirants.

Key Responsibilities

- Head of the STEM Department - M S Dhoni Global Schools
- NITI Aayog - Atal Tinkering Lab (ATL) Incharge
- Ministry of Education's School Innovation Council (SIC) - Convener / Activity Coordinator
- CBSE Pilot Project - Hybrid Classroom - Project Coordinator

Certifications

- Microsoft Innovation Education Expert (MIEE), Microsoft Elevate Educator & Microsoft Certified Educator (MCE)
- MoE's Certified School Innovation Ambassador
- All India Top 100 Mentor - World Robotics Olympiad (WRO) 2024, 2026 & CBSE Youth Ideathon 2024, 2025
- TN State Level Top Mentor - InnovaTN24 & InnovaTN25, ATL Challenge Hackathon by NITI Aayog
- National & International Level Mentor - Codeavour International 7.0, Gizmos Global STEM Challenge 2025-26
- Top 10 STEM Educator - All Over India - VIVO Ignite Teacher Innovation Fellowship

Accomplishments

- Trained 500+ teachers in technology-integrated education as Microsoft Master Trainer
- Received NITI Aayog ATL Special Appreciation
- Mentored 100+ students in state, national & international level innovation competitions
- Implemented AI and emerging technology learning initiatives in schools
- International Teacher Ambassador for Codeavour 7.0 – Featured in Impact Report
- CBSE Youth Ideathon 2026 Teacher Ambassador, organized by IIT Delhi, ThinkStartup & SBI

Leadership Highlights

- Led large-scale STEM, ATL, and innovation initiatives through academic planning, stakeholder collaboration, experiential learning, and interdisciplinary program execution across K–12 education.
- Facilitated teacher capacity-building programs, blended learning implementation, competition ecosystems, training logistics, and technology-enabled academic practices using LMS platforms, Microsoft Teams, Microsoft Forms, and Power BI-based reporting systems.
- Led implementation and interdisciplinary integration of CBSE's Computational Thinking and Artificial Intelligence frameworks for Classes 3–8 aligned with NEP 2020 and future-ready education models.
- Mentored students and educators for state, national, and international innovation platforms while contributing to institutional growth through STEM leadership, capacity building, and academic innovation ecosystems through ATL, SIC, iSTARTUP Junior initiatives.
- Integrated Generative AI platforms including ChatGPT, Gemini, Claude, Canva AI, NotebookLM, and AI-assisted productivity tools into age-appropriate STEM learning experiences.
- Facilitated educator training and guidance on AI-integrated learning, STEM implementation methodologies, classroom innovation, and emerging technology adoption across academic environments.

Community Engagement & Outreach

- Coordinated collaborative engagement among students, educators, institutional leaders, external mentors, ATL Community Day & CSR initiatives, and innovation partners supporting scalable learning ecosystems and community outreach programs for government school students.
- Volunteered in educational initiatives associated with Shree Sharada Educational Trust, and Tamil Nadu Foundation supporting community-driven learning engagement.
