BALASUBRAMANIYAN A

MECHANICAL ENGINEER
Virudhunagar, | Tel : +919080460598 |
E-mail: balasubramaniyan2k@gmail.com

Professional Summary:

Aspiring Mechanical Engineer with a strong foundation in Manufacturing Processes and Production Engineering, supported by hands-on exposure through industrial internships and academic projects. Skilled in CATIA V5 and ANSYS, with knowledge of automotive manufacturing, casting, machining, engineering drawing, and quality control. Eager to apply technical knowledge, develop practical skills, and contribute to efficient, quality-driven manufacturing operations.

Technical Skills:

- Manufacturing: Manufacturing Processes, Casting, Machining, Metal Cutting, Metal Forming, Welding.
- Production & Quality: Engineering Tolerances, 5S, 7 QC Tools
- Design & Analysis: CATIA V5, ANSYS (Basic),

Softskills:

- Time Management
- Adaptability

Internship Experience:

SRS INDUSTRIES Intern – April 2026

- Completed industrial internship at SRS Industries, Perundurai, as part of the Mechanical Engineering curriculum.
- Gained practical exposure to sheet metal fabrication and welding processes.
- Observed manufacturing operations, quality inspection, and fabrication

Sky Breeze AC Solutions – HVAC Industrial Trainee – June 2026

- Completed an industrial internship in HVAC field operations.
- Learned basic duct design and AC system installation.
- Assisted in site visits and project coordination.
- Gained knowledge of office management and customer handling.

Project:

Smart Portable Thermoelectric Refrigeration with PCM

- Developed a thermoelectric refrigeration system using Peltier and PCM.
- Integrated ESP32 for smart temperature monitoring.
- Improved cooling through thermal energy storage.
- Delivered an energy-efficient, eco-friendly cooling solution.
- Applied heat transfer and IoT concepts in prototype development.

Education:

- BE in Mechanical Engineering at Government College Of Engineering Salem : CGPA: 7.79
- Higher Secondary Education (12th) – KVS Higher Secondary School , Virudhunagar | 2023 | 88.33%

Co-Curricular Activity:

- Participated in CNC Programming Training conducted by DMW, Erode.
- Attended Internal Combustion Engine Workshop at MIT Chennai.
