Senior Data Analyst completing an MSc in AI for Marketing Strategy, seeking a suitable role starting immediately. Offering 3+ years of professional experience at Capgemini in data engineering and business intelligence. Seeking to leverage proven expertise in Python, SQL, and Apache Airflow to optimize workflows and drive data-driven decision-making.

CORE SKILLS

- Programming & Databases: Python, SQL
- Orchestration & Platforms: Apache Airflow, Palantir Foundry, Microsoft Azure AI
- Visualization & Analytics: Tableau, Excel, Predictive Analytics & EDA, Machine Learning, Data Integration

WORK EXPERIENCE

Senior Data Analyst | Capgemini Technology Services India Limited

03/2022 – 01/2025

- Built and optimized Airflow automation scripts for Panasonic Energy of North America, reducing processing time by ~50% and saving ~45 hours/week.
- Analyzed client requirements and delivered scalable data solutions using SQL, Python, Tableau, and Palantir Foundry.
- Functioned as a key contributor to the Palantir Foundry migration, leading major data engineering tasks and collaborating to improve workflow efficiency.
- Designed and maintained interactive Tableau dashboards to support data-driven decision-making for management stakeholders.
- Managed data integration and user-behavior tracking architectures for the Millennial Garage portal and the 890App.

Junior Data Analyst | Cubics Softwares Solution

11/2020 – 01/2022

- Analyzed user requirements and structured database architectures for a custom mobile application, driving tech specifications from business needs.
- Performed business analysis and requirement gathering to translate end-user feedback into actionable tech specifications.

EDUCATION

MSc in Artificial Intelligence for Marketing Strategy | EPITA & EM Normandie, Paris

02/2025 – Present

- **Thesis:** Researched governance frameworks for multi-agent AI workflows to optimize automated product analytics and consumer behavior tracking.

Bachelor of Technology in Information Technology | Bharath Institute of Higher Education, India

08/2015 – 05/2019
