PROFESSIONAL SUMMARY

Results-oriented Engineering student with a strong foundation in Java and full-stack web development. Proficient in building responsive frontends using HTML, CSS, and JavaScript while managing scalable data with SQL and Firebase. Passionate about writing clean, efficient code and leveraging AI tools to accelerate software development and troubleshooting.

TECHNICAL SKILLS

Languages : Python
Web Development : HTML, CSS, JavaScript
Databases : SQL
Tools & Practices: Git, GitHub, VS Code
Problem Solving & Logic : Analytical Reasoning, Code Debugging & Optimization

PROJECTS

E-Commerce Web Interface

- Designed and developed a fully responsive multi-page e-commerce storefront focusing on high-quality user interface (UI) and seamless navigation.
- Optimized front-end performance by streamlining asset loading, resulting in a smooth browsing experience for product catalogs. [https://zenin45.netlify.app/]

Interactive Task Management Web Application

- Developed a dynamic To-Do List application allowing users to create, track, and manage daily tasks with a focus on intuitive UI/UX.
- Implemented JavaScript to handle real-time task additions, "Mark as Complete" toggles, and deletions without page reloads. [https://todo-list-455.netlify.app/]

Login Interface

- Developed a modern, high-conversion login interface utilizing advanced CSS techniques like Animations, Hover States, and Media Queries. [https://login-ui-45.netlify.app/]

ACADEMIC QUALIFICATIONS

B.E in Electronics and Communication Engineering | 2022-2026
KPR Institute of Engineering and Technology

High School | 2021-2022
Kongu Matric Higher Secondary School.

INTERNSHIP

Signal & Telecommunication Workshop, Coimbatore

- Learned real-time electrical execution and testing procedures.
- Assembled the track feed battery charger (TFBC) system.

V-Guard Private Limited, Erode

- Assisted in testing and calibrating electrical components to meet industry standards, ensuring product reliability and compliance.
- Gained practical experience in product testing, quality control and technical documentation

CERTIFICATIONS

NASSCOM : Acquiring Data Certification
NPTEL : Design Thinking Course Completion
HackerRank : Java (Basic) Certification
