Aasha

Computer Science and Engineering Student

aashamurugan2006@gmail.com | 9360279971 | linkedin.com/in/aasha-murugan-8379212a4

OBJECTIVE

To work in a challenging environment where I can apply my technical skills, learn new technologies and contribute to meaningful projects. I aim to grow as a professional and build a successful career in the field of Computer Science and Engineering.

EDUCATION

Sengunthar Engineering College (Autonomous), Tiruchengode 2023 – 2027

B.E. Computer Science and Engineering

CGPA: 7.5

INTERNSHIPS

Networking 2024

- Gained hands-on experience in configuring network devices, understanding network protocols and troubleshooting connectivity issues.

Web Design 2024

- Developed responsive web pages using HTML, CSS and JavaScript, and worked on UI/UX design principles.

CERTIFICATIONS

- **NPTEL** – Data Analytics with Python 2025
- **Web Design Certification** 2024
- **Networking Certification** 2024

PROJECTS

Online Photo Editor 2025

- Developed a web-based application to edit photos with filters, cropping and effects.
- Implemented using HTML, CSS and JavaScript with a user-friendly interface.

Hybrid Encryption and Steganography for Secure Cloud Data 2026

- Implemented hybrid encryption (AES + RSA) to secure data before storing in the cloud.
- Used steganography (LSB) to hide encrypted data inside an image.
- Ensured double-layer security for vulnerable cloud environments.

TECHNICAL SKILLS

Programming Language : Basic level of Java

Web Technologies : HTML, CSS

ACHIEVEMENTS & RECOGNITIONS

- Completed NPTEL certification – Data Analytics with Python.
- Participated in a networking related workshop and gained practical exposure.
- Actively involved in college events and technical activities.
- Consistently maintained good academic performance throughout my degree.
