PROFESSIONAL SUMMARY

Final-year Metallurgical Engineering student with NDT Level II certification (VT, DPT, MPT, UT & RT) and knowledge of materials testing, defect detection, and failure analysis.Seeking a Graduate Engineer Trainee role in the automotive industry to apply my NDT, metallurgical, and quality engineering skills and grow as a fresher.

EDUCATION

Bachelor of Metallurgical Engineering — Government College of Engineering, Salem CGPA: 7.14 (through 6th semester)
Higher Secondary Education (Class 12) — Mother Teresa Matriculation Higher Secondary School, Kayathar | 2022–2023 | 74.5%

INTERNSHIP EXPERIENCE

NDT Trainee — Queen India Engineering Services *Jun 2026*

- Performed multi-method non-destructive testing (VT, DPT, MPT, UT, RT) on industrial components to detect surface and sub-surface material defects
- Documented inspection findings against defect-reporting standards, gaining exposure to the QA workflows used to qualify components for production release.

Engineering Intern — Salem Steel Plant, Steel Authority of India Limited (SAIL) *Dec 2025*

- Observed stainless steel manufacturing processes across Steel Melting, Hot Rolling, and Cold Rolling operations, gaining exposure to large-scale production workflows and quality control practices.
- Gained exposure to industrial safety standards, quality assurance practices, and process-control systems in a large-scale steel manufacturing environment.

ACADEMIC PROJECT

Materials Research: Smart Coatings for Aerospace Application — Government College of Engineering, Salem

Guide: Prof. N. Thenammai

- Analyzed smart coating approaches for corrosion, wear, and surface durability in demanding environments..
- Findings on coating behavior and defect prevention are directly transferable to corrosion-protection and surface-treatment requirements for automotive steering and driveline components.

SKILLS

- **Soft Skills:** Leadership, Teamwork, Quick Learner, Time Management.
- **Area Of Interest**:Non-Destructive Testing: **VT, DPT, MPT, UT, RT,** Hardness Testing : **(Rockwell & Vickers)**.
- **Productivity Tools**: Microsoft Word, PowerPoint, Canva.
- **Additional Skills:** Strategic Thinking through **Chess**, Creative Writing (**Poetry & Quotes**)

CERTIFICATION

NDT Level II Certified — Visual Testing (VT), Dye Penetrant Testing (DPT), Magnetic Particle Testing (MPT), Ultrasonic Testing (UT), Radiographic Testing (RT)

LEADERSHIP & COMMUNITY INVOLVEMENT

• Secretary, Leo Club (GCE Salem-11) • Program Coordinator, National Service Scheme (NSS) • Event Coordinator, Rotaract Club — blood donation camps (since 2024) and community outreach initiatives • **Event Coordinator and Participant** in the creation of the **Largest Fingerprint Portrait of Dr. B. R. Ambedkar** World Record (2026) • **Event Coordinator and Contributor** for a **World Record project involving 84,000 Origami Doves for World Peace (2025)**.
