Kavin M

Software Engineer | Full Stack Developer | AI & Automation Enthusiast

kavinsudha136@gmail.com | +91 63859 15928 | Erode, Tamil Nadu | LinkedIn | GitHub | Portfolio

Summary

Computer Science Engineering student with hands-on experience in full-stack development, AI, and automation. Proficient in Java, React.js, Node.js, and REST APIs; experienced building AI-powered and enterprise-grade web solutions. Holds 4 industry certifications across Azure AI, Microsoft SQL, UiPath Agentic Automation, and MongoDB. Seeking a software engineering role to apply practical development, automation, and AI skills.

Education

B.E. Computer Science and Engineering — CGPA: 8.39 2023 – 2027
K.S. Rangasamy College of Technology *Namakkal, Tamil Nadu*

Skills

Programming Languages: Java, Python, C
Frontend & Backend: HTML5, CSS3, JavaScript, React.js, Express.js, Node.js, REST APIs
AI / GenAI: Generative AI, Prompt Engineering, Azure AI, Machine Learning, Agentic AI
Database: MySQL, PostgreSQL, MongoDB
Tools: Git, GitHub, VS Code, GitHub Copilot, Vercel, UiPath Studio, Microsoft Copilot Studio, n8n
Soft Skills: Communication, Teamwork, Leadership

Experience

Java Full Stack Development Intern Jan 2026 – Mar 2026
EduSkills Academy (AICTE) — Virtual Certificate

- Built 3+ Java full-stack web applications using Spring Boot, RESTful APIs, and MySQL, applying OOP and MVC architecture across scalable enterprise solutions.
- Delivered modular backend services across 3+ REST API modules, reducing feature development time and gaining proficiency in end-to-end application lifecycle.

AI & Machine Learning Intern Jan 2026 – Feb 2026
IBM SkillsBuild / EduNet Foundation (AICTE) — Virtual Certificate

- Trained and evaluated ML models using Python with data preprocessing and feature engineering pipelines.
- Gained hands-on exposure to AI/ML deployment workflows across 2 cloud platforms, evaluating model performance on datasets with 10,000+ records.

Microsoft Azure & Copilot Intern Jan 2026 – Feb 2026
Microsoft Elevate (AICTE) — Virtual Certificate

- Applied Azure cloud computing fundamentals and Copilot-assisted generative AI practices across 2 concurrent internship tracks, completing 15+ hands-on labs in enterprise workflows.

Projects

TripAI — AI-Powered Travel Planner | *React.js, Express.js, MySQL, Google Gemini AI, OpenWeatherMap* GitHub

- Engineered a full-stack AI travel planner generating personalized itineraries for 5+ trip parameters using Google Gemini AI, reducing manual planning time by an estimated 70%.
- Built responsive React.js frontend with Express.js REST API backend, JWT authentication, and 2 third-party API integrations for weather and travel-advisory data.
- Engineered 4 structured AI prompt templates for itinerary, hotel, attraction, and expense recommendations, improving response relevance and consistency across varied user inputs.

STRACKIT — E-Commerce Platform | *React.js, Node.js, REST APIs, Vercel* GitHub | Live Demo

- Developed a responsive fashion e-commerce platform with real-time product listings, search/filtering, cart management, and secure checkout with a 5-member cross-functional team.
- Deployed on Vercel with CI pipeline using Git; production-ready with continuous integration workflows.
- Architected RESTful API endpoints for product catalog, cart, and order management, supporting filtered browsing across 50+ SKUs with real-time state synchronization.

Certifications

Microsoft Certified: Azure AI Engineer Associate Credential
MongoDB Certified Associate Developer Credential
Microsoft Certified: SQL AI Developer Associate Credential
UiPath Certified Professional — Agentic Automation Associate Credential

Leadership & Achievements

Google Student Ambassador — Team Gemini 2026 Apr 2026 – Sep 2026
K.S. Rangasamy College of Technology — Promoted Google technologies and organized campus AI/tech events

Unstop Campus Ambassador Jan 2026 – Apr 2026
K.S. Rangasamy College of Technology — Drove student engagement for competitions and tech challenges

First Prize — Paper Presentation & Technical Quiz (Rs.5000 Cash Prize), Shree Sathyam College of Engineering & Technology (2024) Certificate
