PAVISHEK TV

Software Engineer

pavishek2004@gmail.com
+91 63795 96515
Chennai,Tamilnadu

Professional Summary

Dedicated and motivated Computer Science Engineering student actively seeking an opportunity to apply and enhance technical skills in real-world scenarios.Eager to contribute creativity and innovation to projects while gaining valuable industry experience. Open to learning and adaptable, with a passion for staying updated on emerging trends in technology.

Technical Skill

- Communication skills
- SQL
- Python

Strength

- Adaptability
- Team leader
- Time management
- Active listening

Languages

- English
- Tamil

Education

2022 - 2025 — **Bachelor of Engineering -CSE-(7.5 CGPA) | College of Engineering Guindy(Anna University)**

2019 - 2022 (3Years) — **D.M.E Mechanical Engineering(98.4%) | Muthayammal Polytechnic College**

Projects

Title: Election Sentiment Analysis

Description: Conducted sentiment analysis of public opinion data during elections, providing insights crucial for strategic decision-making.

Title:Diabetic Foot Ulcer Detection

Description:Working on a system to detect diabetic foot ulcers using sensors and imaging techniques, and designing a smart shoe prototype that monitors foot health by detecting pressure points, temperature, and early signs of ulcers

Publications

An Explainable AI Framework for Diabetic Foot Ulcer Detection and Personalized Footwear Recommendation, IEEE, 2024. DOI: 10.1109/11042366
