CAREER OBJECTIVE

To begin my career in a reputed core organization where I can apply my knowledge of Electronics and Communication Engineering, strengthen my practical and technical skills, and contribute to innovative engineering solutions. As a motivated fresher, I am eager to learn emerging technologies, work effectively in a team, take on challenging responsibilities, and grow into a skilled professional while contributing to the success of the organization.

EDUCATION

B.E-ELECTRONICS AND COMMUNICATION ENGINEERING | AVS ENGINEERING COLLEGE | SEPTEMBER 2023– PRESENT

CGPA: 8.2/10

HIGHER SECONDARY | GOVERNMENT MODEL HIGHER SECONDARY SCHOOL | JUNE 2022 – 2023

PERCENTAGE:72%

PROJECTS

SMART PARKING SYSTEM

- Developed a **Smart Parking System** to identify and manage available parking spaces efficiently.
- Used **sensors** to detect vehicle presence and parking slot availability.
- Designed the system to provide **real-time parking status** to users.
- Reduced **time and effort** required to find available parking spaces.
- Improved **parking management, convenience, and space utilization**.

SMART HELMET FOR ACCIDENT DETECTION AND EMERGENCY ALERT

- Developed a **Smart Helmet** to detect accidents using sensors and a microcontroller.
- Detect sudden impact or abnormal movement and trigger an **emergency alert**.
- Integrated **GPS** to identify the accident location.
- Sent the accident location to a **predefined emergency contact**.
- Designed the system to improve **rider safety and emergency response time**.

Skills

- **Embedded Systems**
- **Electronic Devices and Circuits**
- **Analog and Digital Devices**
- **Microcontroller and Microprocessor**
- **Basic of Java and C programming**

INTERNSHIP

JAVA INTERN – IMAGECON ACADEMY PVT LMT, SALEM, TAMIL NADU

- Gained practical experience in **Java programming and application development**.
- Worked with **OOP concepts, exception handling, and basic data structures**.
- Developed and tested simple Java-based applications.
- Improved **problem-solving and debugging skills** through practical tasks.
- Gained exposure to **software development practices and teamwork**.

WEB DEVELOPMENT-ODUGAA TECH, SALEM, TAMIL NADU

- Gained hands-on experience in **HTML, CSS, and JavaScript**.
- Developed responsive and user-friendly **web pages**.
- Worked on basic **front-end design and website functionality**.
- Improved understanding of **UI design, web structure, and debugging**.
- Strengthened problem-solving and practical web development skills.

ADDITIONAL SKILLS

- Leadership
- Adaptability
- Quick Leaner
- Teamwork

DECLARATION

I hereby declare that the information provided above is true and correct to the best of my knowledge. I take full responsibility for the accuracy of the details mentioned in this resume. I am willing to learn, adapt, and contribute effectively to the organization. I look forward to an opportunity to apply my technical skills and knowledge
