YOKESHWARAN S

Data Analyst — Power BI Developer — SQL Specialist

+91-8270067146 yokeshyoyo402@gmail.com linkedin.com/in/yokeshwaran

Professional Summary

Detail-oriented Data Analyst with 2+ years of hands-on experience in Power BI development, SQL querying, and data modeling. Skilled in building interactive dashboards, optimizing SQL queries, and ensuring high data integrity through validation and quality checks. Experienced in stakeholder engagement, sprint-based delivery, and maintaining standardized reporting practices in enterprise environments.

Technical Skills

BI Tools	Power BI (Desktop & Service), DAX, Power Query
SQL	Joins, Subqueries, CTEs, Query Optimization, Data Validation
Data Modeling	Relational Databases, Star Schema, Data Cleaning
Automation	Power Automate (Basic), Scheduled Data Refresh
Databases	MySQL, PostgreSQL, Exposure to SAP Data
Other Tools	Advanced Excel, Version Documentation, Sprint Tracking

Professional Experience

Data Analyst **Apr 2024 – Present**

Arcadia (Remote) *Power BI, SQL*

- Developed interactive Power BI dashboards delivering actionable insights for operations and finance stakeholders.
- Built optimized data models using DAX and Power Query to improve reporting performance and scalability.
- Wrote complex SQL queries (joins, CTEs, aggregations) for data extraction, transformation, and validation.
- Performed data validation and quality checks to ensure data accuracy and reporting integrity.
- Maintained and troubleshot dashboard refresh schedules and resolved data discrepancies.
- Collaborated with IT and business SPOCs to translate reporting requirements into technical solutions.
- Maintained version control and documentation for dashboards and reporting workflows.

Market Research Analyst Intern **Nov 2023 – Apr 2024**

Spendflo *Excel, Tableau*

- Created analytical reports and dashboards to track performance metrics and business trends.
- Ensured standardized reporting practices and proper documentation of data flows.
- Supported stakeholder reporting requests within defined sprint timelines.

Projects

Enterprise Sales Dashboard **2025**

Power BI, SQL

- Designed a multi-source Power BI dashboard integrating SQL-based datasets.
- Implemented DAX measures and Power Query transformations for advanced KPI tracking.
- Developed reusable templates and standardized reporting guidelines.

Certifications

- Microsoft Power BI Data Analyst (PL-300) – In Progress
- Google Data Analytics Certificate

Education

B.Tech. Chemical Engineering **2023**

Kongu Engineering College, Erode *CGPA: 8.03 / 10*
