PROFESSIONAL SUMMARY

Automobile Engineering student with a strong passion for automotive design, assembly, and product development. Skilled in applying engineering fundamentals to component design, drafting, and manufacturing concepts. Experienced in vehicle assembly line operations, with a strong drive to build expertise in advanced design tools and innovative vehicle systems.

SKILL

- **SolidWorks (basics)**
- **AutoCAD (2D Drafting)**

EDUCATION

Government College of Engineering — Erode, Tamil Nadu **CGPA : 76%**
Bachelor of Engineering (B.E.) in Automobile Engineering
Relevant Coursework: Automotive Engines, Vehicle Dynamics, Manufacturing Processes, Automotive Hydraulics, Transmission Systems, Thermal Engineering.

KR Government Model Higher Secondary School — Oddanchatram, Tamil Nadu **PERCENTAGE : 68.83%**
Higher Secondary Education (12th Standard - State Board)
Stream: Bio-Mathematics

INTERNSHIP

Ashok Leyland – Hosur Unit II | **OJT (On-the-Job Trainee)** | Jun 16 – Jul 7, 2026

.

- Worked directly within the vehicle assembly line, gaining practical insight into chassis integration, powertrain fitting, and sub-assembly workflows.
- Observed standard operating procedures (SOPs), quality control checkpoints, and line balancing techniques during large-scale commercial vehicle production.
- Learned key safety protocols, lean manufacturing practices, and defect-reduction strategies applied on the shop floor.
- Assisted in heavy commercial vehicle chassis assembly, including suspension, propeller shaft, drag link, and cabin mounting operations.
- Performed torque tightening, quality inspection, and assembly verification following standard manufacturing procedures.
- Contributed to the assembly and quality verification of 100+ heavy commercial vehicle chassis, performing torque tightening and assembly checks across suspension, propeller shaft, drag link, and cabin mounting stations
