JASHVANTH VIJAY

Namakkal, Tamil Nadu | 9597236691 | jashvanthvijay1234@gmail.com

PROFESSIONAL SUMMARY

B.Sc. Geography student at Arignar Anna Government Arts College, Periyar University, with one month of internship experience at Alpha map Tech. Familiar with GIS and remote-sensing workflows, basic coding, and Microsoft Office applications. Seeking a fresher or trainee role where I can apply technical, analytical, and computer skills while continuing to learn and contribute to a team.

EDUCATION

B.Sc. Geography | Arignar Anna Government Arts College, Periyar University Expected graduation: 2027

INTERNSHIP EXPERIENCE

GIS Intern / Trainee | Alpha map Tech | One month

- Gained practical exposure to GIS and geospatial mapping workflows.
- Worked with raster and vector data concepts, shapefiles, and georeferencing.
- Learned basic satellite-image and Digital Elevation Model (DEM) workflows using GIS software.
- Practiced preparing map layouts and presenting geographic information clearly.

TECHNICAL SKILLS

GIS & Mapping: QGIS, shapefile creation and management, georeferencing, map layout design

Remote Sensing: Landsat and Sentinel imagery basics, band combinations, false-color composites **Raster & Spatial Analysis:** Raster/vector data handling, DEM basics, slope, aspect, hillshade, NDVI basics **Coding:** Basic programming / coding knowledge (add specific languages only if you can explain them) **Microsoft Office:** Microsoft Word, PowerPoint, and Excel

General IT: Computer operations, file management, document preparation, presentation creation, data entry

Workplace Skills: Communication, teamwork, attention to detail, willingness to learn

LANGUAGES

Tamil — Read, write, speak | English — Read, write, speak

TARGET ROLES

Open to fresher / trainee opportunities in IT support, computer operations, data processing, office administration, GIS and mapping, and other suitable entry-level roles.
