SUMMARY

Motivated and enthusiastic Electronics and Communication Engineering (ECE) graduate seeking an entry-level opportunity where I can apply my technical knowledge, problem-solving skills, and willingness to learn. Eager to contribute to organizational growth while continuously improving my technical and professional abilities.

EDUCATION

Bachelor of Engineering (B.E) – Electronics and Communication Engineering
Mahendra Engineering College, Tamil Nadu

SKILLS

- C Programming
- Embedded C
- MS Excel
- Basic Embedded Systems
- Problem Solving

PROJECTS

Home Automation System
- Designed and developed a home automation system.
- Implemented automatic control of household devices.
- Improved convenience and energy efficiency through automation.

AI-Based Optical Fiber Fault Detection
- Developed a project for detecting faults in optical fiber networks using Artificial Intelligence.
- Focused on improving fault detection accuracy and reducing maintenance time.

CERTIFICATES

- Embedded Systems Internship Certificate
- Embedded C Programming Certification
- MS Excel (Basic/Advanced) Certification

LANGUAGES KNOWN

- Tamil
- English

DECLARATION

I hereby declare that the above information is true to the best of my knowledge.
