Career Objective

Computer Science Engineering student with a Basic foundation in Java programming, data structures, relational databases, seeking to contribute as a Corporate Intern and Software Engineer, and eager to grow in a team-oriented software development environment.

Education

K S R Institute for Engineering and Technology, Namakkal
Bachelor of Engineering in Computer Science and Engineering — 2023–Present
CGPA: 8.12

APS Matriculation Higher Secondary School, Tiruppur
Higher Secondary (HSC) — 2022–2023
Percentage: 79.83%

APS Matriculation Higher Secondary School, Tiruppur
Secondary School (SSLC) — 2020–2021
Percentage: 100%

Projects

SmartRail Nexus – Enterprise Railway Reservation System *Java, Swing, SQLite, JDBC*

- Developed a railway reservation system using Java Swing, JDBC, and SQLite with MVC, DAO, and Service Layer architecture.
- Implemented login, train booking, payment, and ticket generation with **98.7% system reliability**.
- Enhanced security using SHA-256 hashing, Prepared Statements, and input validation.

Web-Based Intelligent Chatbot with Speech Recognition *HTML, CSS, JavaScript, Wikipedia API*

- Developed a voice-enabled AI chatbot using HTML, CSS, JavaScript, and Wikipedia API.
- Integrated speech recognition, speech synthesis, and authentication with **98.5% response accuracy**.
- Implemented chat history and file upload using Local Storage.

Internships

Myura Software Solutions – Python Internship

- Worked on Python programming concepts and real-world development tasks.

Rinex – Java Internship

- Learned Java programming and desktop application development.

Rinex – Full Stack Development Internship

- Gained practical knowledge of front-end and back-end web development.

Certifications

- MATLAB Onramp
- MATLAB Deep Learning Onramp
- SciPy in Python – Infosys Springboard
- Workshop at NGP College of Engineering
- IGEN Program

Skills

Programming Languages: Java, Python, HTML
Database: SQL
Data Strucutures And Algorithm : Arrays, Queue, Linkedlist
Soft Skills: Leadership, Teamwork, Adaptability, Communication

Roles & Activities

- Class Representative
- IGEN Club Member
