PROFESSIONAL OBJECTIVE

A results-driven and analytical Associate Manager specializing in Credit Strategy and operations within retail lending and home loan portfolios. Adept at optimizing credit decision frameworks, analyzing risk-reward trade-offs, managing underwriting operational workflows, and spearheading cross-functional mitigation strategies to ensure compliant growth, minimized defaults, and streamlined portfolio performance.

PROFESSIONAL EXPERIENCE

Associate Manager (Home Loan Credit Strategy) | Navi Finserv Ltd

Bangalore, India • Dec 2021 – Present

- Formulate, execute, and refine data-driven credit underwriting strategies and operational policy criteria for the high-volume retail Home Loan portfolio.
- Analyze portfolio risk parameters and evaluate user segments to optimize the balance between approval velocity and credit quality.
- Collaborate extensively with data science, product, and risk analytics teams to enhance automated loan decision engines and cut turnaround time (TAT).
- Lead team-level strategic execution, standardizing policy compliance frameworks and designing structured training programs for risk operations teams.

Financial Advisor (Cross Sell) | Lendingkart Technologies Pvt Ltd

Bangalore, India • Feb 2021 – Dec 2021

- Managed financial advisory operations for business portfolios, driving revenue velocity across cross-sell lending products.
- Cultivated key long-term corporate relations through advanced portfolio strategies and rapid technical problem-solving frameworks.

Customer Relationship Officer (Sales Process - Credit Cards) | Bankbazaar.com (A&A Dhukaan Financial Services Pvt Ltd)

Chennai, India • July 2019 – November 2020

- Handled complex banking customer relationships, navigating dynamic consumer scenarios to scale credit line conversions.
- Crafted structured financial product breakdowns, helping streamline communication and closing lifecycles.
- Designed and executed operational onboarding programs for new joiners, noticeably boosting initial team performance metrics.

Lab Instructor (Automobile Engineering) | The Kavery Polytechnic College

Mecheri, India • July 2013 – December 2014

- Supervised and organized applied laboratory sessions, ensuring high standards of safety and technical competence for students.
- Managed asset infrastructure, technical maintenance logbooks, and handled dynamic group activities seamlessly.
