CAREER OBJECTIVE

To build a challenging career in the field of **Industrial Safety and Occupational Health**, where I can utilize my academic knowledge in Mechanical Engineering and Industrial Safety Engineering along with my practical experience as a Safety Engineer in the garment industry. I aim to contribute to creating a safe and healthy workplace through effective **hazard identification, risk assessment, safety inspections, accident prevention, safety training, and compliance with safety standards**, while continuously developing my professional skills and contributing to the growth of the organization.

PROFESSIONAL SUMMARY

M.E. Industrial Safety Engineering postgraduate with a B.E. in Mechanical Engineering and nearly one year of experience as a Safety Engineer in the garment industry. Gained industrial exposure through an internship at **Metalman, an automobile components manufacturing company**, and completed an M.E. project in a **paper mill**. Interested in Industrial Safety, EHS, Production Safety, Risk Assessment, and Accident Prevention, with a strong commitment to maintaining safe and efficient workplaces.

CORE COMPETENCIES

- Industrial & Workplace Safety
- Hazard Identification & Risk Assessment
- Safety Inspection & Monitoring
- Accident Prevention & Incident Reporting
- Production & Machinery Safety
- PPE & Safe Work Practices
- Fire & Emergency Response and Planning
- EHS & Occupational Health & Safety
- Incident Prevention
- Risk Assessment and Mitigation
- Safety Awareness & Employee Training
- Workplace Housekeeping
- Safety Documentation & Reporting
- Manufacturing Process Safety
- Basic Knowledge of Safety Audits & Compliance
- Good Communication & Teamwork
- Machine Safety & Safeguarding
- Environmental Monitoring & Waste Management
- Transport Safety
- Water Quantity, Quality & Safety Management

PROFESSIONAL EXPERIENCE

SCM Garments Pvt Ltd — *Jan 2026 – Present*

Safety Officer

- Conducted daily workplace safety inspections and hazard identification.
- Risk Assessment & Incident Investigation
- Hazard Identification.
- Coordinate emergency response drills and fire safety programs
- Investigate incidents, near misses, and unsafe conditions and drive corrective actions.
- Supported customer and social compliance audits.
- Lock Out & Tag Out
- Safety Training to Electrical team
- Maintain ISO 45001 documentation and EHS records.
- Investigate incidents, near misses, and unsafe conditions and drive corrective actions
- Installation, testing, and maintenance of fire protection systems.
- Performed inspection and commissioning of fire safety equipment.
- Conducted fire safety audits and assessments of client facilities to verify compliance with applicable fire safety standards.
- Delivered fire safety training programs, fire drills, and emergency response training for client personnel.
- Trained end-users on the operation and maintenance of fire hydrant, fire alarm, and extinguisher systems.
- Prepared fire audit reports with findings and corrective recommendations

AUDIT & COMPLIANCE EXPERIENCE

Management System Audits	Environmental Audits
ISO 45001 – Occupational Health & Safety Management System	ISO 14001 – Environmental Management System FEM (Facility Environmental Module)

EDUCATIONAL QUALIFICATIONS

Degree	Institution	University / Board	% of Marks / Grade	Year
M.E. Industrial Safety Engineering	Shri Shanmuga College of Engineering and Technology (Salem) - Autonomous	Anna University	CGPA:7.97 with Ist Class	2025
B.E. Mechanical Engineering	Velalar College of Engineering and Technology (Erode)	Anna University	CGPA:7.08 with Ist Class	2023
HSc- General Mechanics	Sri Venkateshwara Vidhyalayaa Matriculation School, Gobi	Matriculation	61.8%	2019
SSLC	Sri Venkateshwara International School(CBSE)- Gobi		CGPA:9.6	2017

KEY SKILLS

- Strong safety knowledge across industrial and fire safety domains
- Good communication and employee coordination skills
- Effective problem-solving and decision-making under pressure
- Team leadership, training delivery, and safety awareness building
- Critical Thinking & Problem Solving
- Adaptability & Team work

RESEARCH PUBLICATION

- **Kiran jeedhan.T**, Mohan.M, Boopathi R., A Study on Noise-Induced Hearing Loss in Employees of a Paper Mill: Exposure Levels and Audiometric Out Comes, International Journal of Engineering Research & Technology (IJERT), NCITSETM -2025, Vol.13, issue 5.
- Presented a paper on title “A study on noise induced hearing loss in employees of a paper mills” AICTE AQIS scheme for GOC Scheme National conference on 14 & 15th May 2025 at Shree Venkateshwara Hi-Tech Engineering College.
- Presented a paper on title “Solar Desalination Process” State level technical symposium on 28th May 2022 at Shree Venkateshwara Hi-Tech Engineering College and won first prize.
- Received a certificate of Appreciation for the paper presentation on Optical properties of solar cell in the “Science and Human Department” in a state level technical seminar on 18th Oct 2019 at Velalar College of Engineering and Technology.

PROJECT CARRIED OUT

Project Done in B.E	➢ Main Project : Solar desalination process ➢ Mini Project : Design and fabrication of mint cuter mechanism
Project Done in M.E	➢ Main Project : Design of an IOT-enabled noise monitoring system for paper mills using raspberry pi ➢ Mini Project : Integrated gas leakage detection and automatic shut off systems for underground
My Own Project	➢ An auto gas electronic regulator with a microprocessor used in LPG for vehicles (On going)

PERSONAL DETAILS

Date of Birth & age	24 MAY 2001, 25 years	**Languages Known**	Tamil, English
Marital Status	Unmarried	**Father name**	Thangavel P
Nationality	Indian	**Community**	BC

I hereby declare that the information furnished above is true and correct to the best of my knowledge and belief.

Place: Gobichettipalayam
