Phone-9363416657
Address-2/249, Thiruchikarar street, Thusur(Po), Namakkal(Dt)

CAREER OBJECTIVE

A motivated Biomedical Engineering graduate seeking an entry-level position to apply engineering and medical knowledge in developing, testing, and maintaining healthcare technologies, while contributing to the efficient functioning of a healthcare institution.

EDUCATION

- **B.E. Biomedical Engineering** | Kongunadu College of Engineering & Technology, Trichy | *2023 – 2027*
  CGPA: 8.10
- **HSC (Class XII)** | Bharathi Higher Secondary School, Reddipatti | *2022-2023*
  Percentage: 72.6%
- **SSLC (Class X)** | Bharathi Higher Secondary School, Reddipatti | *2021-2022*
  Percentage: pass

INTERNSHIPS

Newton Biomedical Service, Karur

Observed various biomedical equipment and learned their functions, common faults, and basic troubleshooting through real-time demonstrations.

Witspire Solutions, Trichy

Training about the Embedded Systems, Arduino programming, C programming and biomedical project development with a focus on healthcare applications.

M.M Hospital, Namakkal

Observed various hospital equipment and gained practical knowledge of their functions, applications, and role in patient care.

TECHNICAL SKILLS

- Java

AREA OF INTEREST

- Anatomy & Physiology
- Radiological equipment
- Biomedical Instrumentation
- Clinical Equipment Maintenance & Hospital Engineering

PROJECTS

Blue Green Based Phototherapy for Infant jaundice **SEP 2025**

Blue-green phototherapy uses light to penetrate the infant's skin and interact with bilirubin. The light converts bilirubin into water-soluble forms through photochemical reactions.

Communication Aid for Hemiplegia Patients **APR 2026**

The Smart Glove for Voice Communication helps speech-impaired people communicate using hand gestures. It detects hand movements and converts them into voice messages through a speaker.

VALUE ADDED COURSES

- Medical Coding – Thoughtflow
- Biomedical Instrumentation – Atheena Pandian Pvt. Ltd.

PROFESSIONAL SKILLS

- Communication.
- Adaptable and quick learner.
- Leadership Quality (Led academic project teams and served as a Kabaddi team captain with strong team management skills).

LANGUAGES

- English
- Tamil

ACHIVEMENTS

- participated in the poster presentation conducted by the Green Club at Kongunadu College of engineering and technology I won the first price and receive Rs.1000 Cash price.
- Participated in the paper presentation conducted by the Indra Ganesan College of Engineering.
- Won First Prize in Kabaddi at the inter College Sports Day.
