Professional Summary

Final-year B.Sc. Computer Science (Artificial Intelligence and Data Science) student with internship exposure in Python, SQL, Data Analytics, Power BI, and Web Development. Skilled in Python programming, SQL, data analysis, database management, dashboard development, and NLP-based document processing. Seeking an entry-level opportunity to apply technical skills and contribute to software development, data analytics, or AI-driven projects.

Education

B.Sc. Computer Science (Artificial Intelligence and Data Science) **Graduation: 2027**
K.S.R. College of Arts and Science for Women, Periyar University CGPA: 7.14/10

Technical Skills

Programming: Python, SQL, JavaScript
AI & NLP: Natural Language Processing (NLP)
Web Development: HTML, CSS
Databases: MySQL, SQLite
Problem Solving: LeetCode, HackerRank

Internship Experience

Data Analytics Intern **Techvolt Software Pvt. Ltd.**
- Cleaned and analyzed datasets using Excel and SQL.
- Developed Power BI dashboards for data visualization and reporting.

Python with SQL Intern **Binary Spot Technology**
- Developed Python applications and performed database operations using MySQL.
- Wrote SQL queries for data retrieval and database-related tasks.

Web Development Intern **Code BindTechnologies**
- Developed responsive web pages using HTML, CSS, and JavaScript.
- Applied responsive web development practices to frontend interfaces.

Academic Project

Smart Legal Document Analysis Using NLP *Python, NLP, Streamlit, Tesseract OCR*
- Developed an NLP-based application for analyzing scanned legal documents.
- Used Tesseract OCR to extract text from scanned documents for further processing.
- Applied Natural Language Processing techniques to extract useful information from document content.
- Built a Streamlit interface for document analysis.

Certifications

- GUVI – ChatGPT for Everyone
- IBM – Getting Started with Artificial Intelligence
- FutureSkills Prime – Digital Application Fundamentals (STEM)
- SmartBridge – MongoDB Database Admin Path

Languages

Tamil – Native | English – Professional
