APOORNA.R

Electrical and Electronics Engineering Student
apoorna4379@gmail.com — +91 9488520061

Career Objective

Motivated Electrical and Electronics Engineering student with a strong foundation in electrical systems and automation, seeking to apply technical knowledge in real-world industrial applications.

Eager to contribute to innovative engineering solutions while continuously developing technical and professional skills.

Education

Bachelor of Engineering (B.E.) – Electrical and Electronics Engineering
Government College of Engineering **CGPA: 8.03**
Expected Graduation: 2027

Higher Secondary Certificate (HSC)
Palaniappa Higher Secondary School, Cholapuram **90.16%**

Secondary School Leaving Certificate (SSLC)
Palaniappa Higher Secondary School, Cholapuram **100%**

Internship

Neyveli Thermal Power Station (NTPS) *Intern – Relay and Protection*

- Studied protective relays and protection schemes for generators, transformers, feeders and transmission lines.
- Gained practical exposure to relay panels, circuit breakers, switchgear, fault detection and relay coordination.

Projects

- **Smart Assistive Wheelchair with Dual Control and Health Monitoring System**
- **Real-Time Smoke Monitoring System with AQI**
- **Smoke and Fire Detection System**

Technical Activities

- Participated in a PCB Design Hackathon using Fusion 360.
- Completed an Industrial Visit to Mettur Thermal Power Station.

Workshops & Training

- Electric Vehicle Technology Workshop – NIT Puducherry.
- Smart India Hackathon – Teachers GO Program.

Certifications

- National Cadet Corps (NCC) Cadet – State Level Basic Leadership Camp.
- All India Girls Trekking Camp – National Level.

Technical Skills

Core Skills: Electrical Machines, Circuit Analysis, Network Theory

Software Tools: MATLAB, Arduino IDE, Sensor Interfacing

Soft Skills: Leadership, Problem Solving, Teamwork, Time Management, Adaptability

Languages: Tamil – Read, Write and Speak; English – Read, Write and Speak
