PROFESSIONAL SUMMARY

I am a Computer Science Engineering student passionate about full-stack development and software engineering. Skilled in problem-solving and building user-focused applications. Quick learner and team player eager to grow as a professional developer.

EDUCATION

Krishnaveni Government Girls Higher Secondary School, Pallipalayam. 2022-2023
Percentage: 70.1%

Sri Shanmugha College Of Engineering And Technology, Pullipalayam. 2023-2027
BE Computer Science and Engineering.
GPA: 8.3

SKILLS

- MERNstack Development
- Java
- C

INTERNSHIP

- Completed a 1-month **Full-Stack Development Internship** at Novitech R&D Private Limited.
- Gained hands-on experience in HTML, CSS, JavaScript, React.js, Node.js, databases, and API integration.

PROJECTS

RealEstate – Property Management & Listing Platform

- Developed a **full-stack real estate property management** platform using **React.js, Node.js, Express.js, and MongoDB**, implementing role-based access for **Users, Agents**, **and Admins** with secure JWT authentication

.

- Implemented **property listing, search/filtering, property details, favorites, bookings, reviews, and admin property approval workflows**, with RESTful APIs and MongoDB-based data management for scalable **CRUD** operations.

Shopping Cart Application

- Developed a responsive **shopping cart application** using HTML, CSS, and JavaScript with dynamic product filtering, quantity management, and real-time price calculation.

- Implemented **event-driven cart operations** including add, remove, increment/decrement quantity, and clear cart functionality using JavaScript DOM manipulation.
