PROFESSIONAL SUMMARY

Electronics and Communication Engineering student passionate about Java Full Stack Development and SQL. Skilled in problem-solving and teamwork, eager to contribute to organizational growth and innovative technology solutions.

EDUCATION

B.E Electronics and Communication Engineering (2023-2027)
M Kumarasamy College of Engineering, Karur

Higher Secondary Certificate (HSC) (2022-2023)
RKV Matric Higher Secondary School, Jerderplayam

PROJECTS

TITLE: BLIND THIRD EYE

- My Role: Circuit Design
- Technologies Used: Arduino Uno, Ultrasonic Sensor, Buzzer, Embedded C
- Description: Developed smart glasses to assist visually impaired and deaf individuals by detecting obstacles and providing sound alerts for safer navigation.

TITLE: AUTOMATIC COCONUT HUSK COUNTING MACHINE

- My Role: Circuit Connection
- Technologies Used: Arduino Uno, IR Sensor, LCD Display, Buzzer, Embedded C
- Description: Developed an automatic coconut husk counting machine using an Arduino and IR sensor to detect and count husks on a conveyor. The count is displayed on an LCD, and a buzzer provides an alert for each detected husk, improving counting accuracy and reducing manual effort.

TITLE: HOSPITAL MANAGEMENT SYSTEM

- My Role: Backend Development
- Technologies Used: Java, MySQL, JDBC, NetBeans
- Description: Developed a Hospital Management System to manage patient records, doctor details, appointments, billing, and medical records. The system improves data management, reduces manual work, and provides quick and accurate access to hospital information.

INTERNSHIP

Company Name : TNPL
Duration : 15 days
My Role : Monitored sensor-based operations

- Monitored and analyzed sensor-based industrial operations to ensure smooth process functionality.
- Observed automated control systems and gained practical exposure to industrial monitoring and operational workflows.

TECHNICAL SKILL

- Java
- SQL
- Python (Basic)
- Data Structures & Algorithms (Basic)
- Object-Oriented Programming

SOFT SKILL

- Problem Solving
- Team Work
- Adaptability

AREA OF INTEREST

- Data Structures & Algorithms
- Digital Communication
- Database Management System & Structured Query Language (SQL)

CERTIFICATION

- Cryptography and Network Security – NPTEL Elite Certification (Score: 63%)
- Network Security – NPTEL Elite Certification (Score: 65%)
- SQL Basics on Hacker Rank

AWARDS & ACHIEVEMENTS

- Secured 3rd Prize in Project Exhibition 2026 at M. Kumarasamy College of Engineering.
- Participated in NeuraCode 2.0 Hackathon at K.S. Rangasamy College of Technology.
- Paper presentation on Blind Third Eye at Government College of Technology

Personal Information

Father's Name : Sasikumar C
Mother's Name : Poongodi S
Date of Birth : 15-09-2005
Languages Known : Tamil , English
Hobbies : Drawing, Listening to Music

Signature
Kanishkaa S
