  10 th
  Pass
- **AV HIGHER SECONDARY SCHOOL** **2022-2023**
  12 th
  57%
- **EXCEL ENGINEERING COLLEGE** **2023-2026**
  B. Tech - Computer Science And Business Systems
  7.63 CGPA (up to 5th sem)

SKILLS

- Communication
- Leadership
- Adaptability
- Time management
- Problem Solving

PROJECTS

- **Marketing Strategy Systems**
  Developed a Market Strategy System to analyze and manage business strategies through a user-friendly web application. Designed a responsive front-end using HTML, CSS, and JavaScript, and implemented the back-end using PHP with MySQL database integration.
- **3D Virtual Chatbot Using AI**
  Developed an AI-powered 3D Virtual Chatbot with an interactive and user-friendly interface. Built the front-end using HTML, CSS, and JavaScript, and implemented the back-end using PHP and Node.js. Integrated chatbot functionality to provide real-time user interaction and automated responses.

INTERNSHIP EXPERIENCE

- **Web Developer Intern - CADD Centre, Tiruchengode**
  Successfully completed a 15-day Web Development Internship with practical exposure to front-end web technologies. Designed and developed a responsive web application using HTML, CSS, and JavaScript. Gained hands-on experience in creating user-friendly web pages, implementing responsive layouts, and enhancing website functionality.
- **AI Chatbot Intern- Marcello Tech, Tiruchy**
  Assisted in developing AI-powered chatbot applications. Worked on chatbot conversation flow, testing, and debugging. Improved chatbot performance and user interaction through practical implementation.
- **Java Full stack Intern - Techvolt Software Company, Coimbatore**
  Developed and maintained web application modules using Java Full Stack technologies. Designed responsive user interfaces and implemented backend functionalities with database connectivity. Performed application testing, debugging, and code optimization to improve functionality.
