OBJECTIVE

Motivated Electronics and Communication Engineering student with strong fundamentals in Core Java, Object-Oriented Programming, and Data Structures. Seeking a Software Developer role to apply programming, problem-solving, and logical thinking skills in developing reliable software solutions while continuously enhancing technical expertise.

EDUCATION

B.E – Electronics and Communication Engineering
K.S.R. College Of Engineering , Tiruchengode 2023 – Present
CGPA: 8.88 (Up to 6th Semester)
HSC – Sri Vidhya Mandir Matric Hr Sec School, Gurusamipalayam 2022 – 2023
Percentage: 86.5%
SSLC – Selvam Higher Secondary School, Mudalaipatti 2020 – 2021
Percentage: 90%

TECHNICAL SKILLS

Programming: Core Java, OOP concepts, Basic Data Structures & Algorithms
Web Technologies: HTML, CSS, Basic JavaScript
Tools: VS Code, Eclipse, GitHub
Soft Skills: Teamwork, Leadership, Problem-Solving, Logical Thinking

INTERNSHIP

1. AI-ML Virtual Intern – EduSkills [July 2025 – September 2025]

• Gained practical exposure to Artificial Intelligence and Machine Learning concepts through a virtual internship.

2. Android Developer Virtual Intern – EduSkills [April 2025 – June 2025]

• Gained exposure to Android application development and mobile development concepts.

3. Web Development Intern – Embuzz Technologies Pvt. Ltd. [2 Weeks]

• Developed responsive web pages using HTML and CSS and gained practical exposure to frontend development and website design.

4. VLSI Intern – Taras Systems and Solutions Pvt. Ltd. [December 2025 – May 2026]

• Gained exposure to VLSI design and semiconductor fundamentals and assisted in digital circuit and basic IC verification processes.

PROJECTS

Student Management System – Java
• Developed a menu-driven CRUD application using Java.
• Implemented OOP concepts and ArrayList for managing student records.
• Added features for insert, search, update, and delete the student details.
• Applied input validation and structured programming logic.

Online Flower Shop Website
• Designed and developed a responsive-shop website using HTML and CSS.
• Created multiple web pages with structured navigation and user-friendly layouts.
• Applied CSS styling to improve visual presentation and responsiveness.

CERTIFICATIONS

• Full Stack Development Training – Novitech R&D Pvt Ltd.
• NPTEL – Introduction to Industry 4.0 and Internet of Things (Elite).
• Web Development Internship Certification – Embuzz Technologies Pvt Ltd.
• VLSI Design Training Program – Taras Systems and Solutions Pvt Ltd.
• Nano Electronics Paper Presentation – Government College of Technology, Coimbatore.

ACHIEVEMENTS

• Secured 2nd Prize with a ₹3,000 Cash Prize in the Founder's Memorial Day Quiz Competition 2026 as part of the KSRCE team.
