Aadham M

Biomedical Engineering Graduate

aadhamaashika@gmail.com 91+9361784225 Trichy,Tamilnadu

Career Objective

Motivated and detail-oriented Biomedical Engineering graduate seeking an entry-level position where I can apply my knowledge of biomedical equipment, medical devices, and healthcare technology. Eager to contribute to organizational growth while enhancing my technical and professional skills.

Internship

Intern, *Evaluate Bioscience, Trichy* Trichy

- Completed internship on biomedical devices and healthcare technologies.
- Learned equipment handling and basic maintenance.

Education

B.E. Biomedical Engineering, *Kongunadu College of engineering and Technology* 2027
CGPA: 7.05 Thottiam,Trichy

Higher Secondary (12th), *St.Josephs College higher secondary school* Chathiram ,Trichy

Technical Skills

Technical Skills

- Biomedical Equipment Maintenance
- Medical Device Troubleshooting
- ECG, EEG, Ventilator, Defibrillator
- CT Scanner & X-ray Basics
- Arduino, ESP32
- Java (Basics), Python (Basics), MS Office

Projects

IoMT Smart Bed — Patient Occupancy Monitoring, Fall Detection & Early Ulcer Identification

- Designed an IoT-based smart hospital bed using ESP32.
- Implemented patient occupancy monitoring and fall detection.
- Used pressure sensors, load cell, and MPU6050.

Baby Warmer Pouch

- Developed a low-cost baby warmer pouch for maintaining infant body temperature.
- Designed for neonatal care in low-resource healthcare settings.

Achievements

Presented 4 technical papers, *Engineering colleges in Tamil Nadu*

Technical symposiums and workshops participation
Participated in technical symposiums and workshops.

Additional Information

Strengths

- Quick learner
- Team player
- Problem-solving ability
- Good communication skills

Languages

- Tamil
- English

Hobbies

- Playing Cricket
- Listening Motivational songs
- Learning Medical Coding
