RANJITH G

096777 85639 | ranjithranji1718@gmail.com | Erode, Tamil Nadu

PROFESSIONAL SUMMARY

Final-year Electronics and Communication Engineering student with hands-on experience in sensor-fusion monitoring systems, real-time operating systems (QNX RTOS), and production quality control. Possesses a strong academic record (7.89 CGPA) with a core focus on **Data Analytics** and **Embedded Systems**. Skilled in Python, SQL, and web technologies, with a proven ability to process data and support hardware-software integration.

TECHNICAL SKILLS

Programming Languages:	Python (Basics), Java (Basics)
Web Technologies:	HTML, CSS
Analytics & Data Tools:	SQL / MySQL, MS Excel, MATLAB
Embedded & OS:	Real-Time Operating Systems (QNX RTOS), Sensor Fusion Systems
Industrial & Quality:	Quality Inspection, Process Adherence, Defect Checking

PROJECTS

Sensor-Fusion Based CPS for Real-Time Human Health, Fatigue, & Gas Exposure Monitoring — **Team Project**

Domain: Embedded Systems & Sensor Fusion

- Designed a cyber-physical monitoring solution integrating bio-sensors and gas detectors to evaluate worker fatigue and hazardous gas levels in real time.
- Collaborated on multi-sensor data processing and alert system logic to enhance workplace safety.

Fake News Detection System — **Team Project**

Technologies: Python, Flask, HTML, CSS

- Collaborated on building a web application using Python text processing libraries and HTML/CSS to classify news articles based on text analysis.

EXPERIENCE

Production Worker & Quality Checking Intern — **June 2026 – July 2026**

UCAL Plant 11, Mahindra World City, Chengalpattu

- Conducted quality inspection checks on manufactured components, adhering strictly to plant safety standards.
- Prepared components across assembly lines for packaging, supporting low defect rates and consistent production flow.

Web Development Intern — **Dec 16, 2025 – Dec 30, 2025**

KioTech (MSME Registered)

- Applied core HTML and CSS to structure and design responsive user interface layouts during an intensive 15-day practical program.

EDUCATION

B.E. Electronics and Communication Engineering — **Expected Apr 2027**

Excel Engineering College, Komarapalayam — CGPA: **7.89**

12th Standard (Higher Secondary - Maths & Computer Science) — **Completed Mar 2023**

Government Model Higher Secondary School, Seenapuram — Percentage: **80%**

CERTIFICATIONS

- **Realtime Programming for the QNX Operating System** – Issued by QNX (BlackBerry) / Pi-Square Tech
- **Database Structures and Management with MySQL** – Meta (Coursera)
- **MATLAB Onramp & Fundamentals** – MathWorks
- **Comprehensive Web Development with HTML, CSS, and Flexbox** – L&T EduTech (LearnKonnect)
- **.Net Product API Advanced Setup** – L&T EduTech (LearnKonnect)
