DEEPAK R

CURRICULUM VITAE

Salem, Tamil Nadu – 636140 | +91 90254 60533 | deepakmass090@gmail.com

CURRICULUM PROFILE

Aspiring Software Developer and Data Enthusiast with an academic background in Computer Applications (BCA) and specialized coursework in Python, SQL, and Data Science. Equipped with hands-on exposure to front-end development, responsive web design principles, UI/UX conceptualization, and AI prompt engineering. Demonstrates strong analytical, interpersonal, and problem-solving skills with a commitment to continuous technical learning and institutional excellence.

EDUCATION & ACADEMIC BACKGROUND

Vysya College (Affiliated with Periyar University) — **2023 – 2026**

Bachelor of Computer Applications (BCA) — *Salem, Tamil Nadu*

- Core Subjects: Data Structures, Database Management Systems, Object-Oriented Programming, Operating Systems, Web Technologies.

Government Higher Secondary School — **2021 – 2023**

Higher Secondary Certificate (HSC) — *Udayapatti, Salem*

TECHNICAL COMPETENCIES

Programming Languages:	Python, SQL, Java, C++, C
Databases & Analytics:	Relational Database Design, Oracle SQL, Data Cleaning, Data Science Foundations, Big Data Concepts
Web Technologies:	HTML5, CSS3, JavaScript basics, Responsive Web Design, Front-End Layouts
Design & Prototyping:	UI/UX Wireframing, Graphic Design, Creative Illustration, Digital Storyboarding
Emerging Methodologies:	AI Prompt Engineering, Generative AI Workflows, Version Control Basics (Git)

PROFESSIONAL TRAINING & COURSEWORK

QSpiders Training Institute — **Professional Certification**

Specialization in Python, SQL & Data Science — *Intensive Coursework*

- Trained in Python programming structures, data manipulation, file handling, and modular script development.
- Practiced advanced SQL concepts including table joins, subqueries, grouping, aggregate operations, and schema management.
- Covered fundamental Data Science lifecycles, structured exploratory data analysis, and predictive modeling basics.

PROFESSIONAL EXPERIENCE

Kio Tech — **2023 – 2026**

Web Development Intern — *Salem, Tamil Nadu*

- Constructed and styled static and dynamic web page layouts adhering to modern HTML5 and modular CSS3 specifications.
- Participated in cross-browser compatibility assessments, visual debugging, and interface responsiveness tuning.
- Coordinated with team members on UI/UX mockups to improve overall site usability and visitor interaction flow.

ACADEMIC & TECHNICAL PROJECTS

Online E-Commerce Web Application — **Front-End Project**

- Designed a responsive online storefront interface with clean catalog navigation, structured product cards, and cart review mechanisms.
- Employed modern layout methods ensuring consistent visual fidelity across diverse desktop and mobile screen resolutions.

Men's Fashion & Outfit Recommendation Portal — **Design & Deployment Project**

- Structured and launched a web catalog showcasing men's style configurations, seasonal palette recommendations, and dress pairing guides.
- Built customized graphical banners and user navigation components utilizing Google Sites and modern design layouts.

CERTIFICATIONS & CO-CURRICULAR ACCOMPLISHMENTS

- **Certified:** Python Programming & Oracle SQL Fundamentals.
- **Certified:** AI Prompt Engineering, Data Analytics, and Big Data Concepts.
- **Certified:** UI/UX Design, Web Design, and Graphic Design.

- **Conference Participation:** Attended technical sessions on AI Development at St. Joseph's College.
- **Creative Demonstration:** Exhibited Pop-Up Book Animation and Illustration work at DreamZone.
