SHRIRAM KUMAR K

B.Tech Information Technology Student – shriramk390@gmail.com - www.linkedin.com/in/shriram-kumar-srk - https://github.com/Shriramkumar24

PROFESSIONAL SUMMARY

Computer Science student currently pursuing a degree with skills in Java, Python, HTML, CSS, AWS (EC2, S3), MySQL, SQLite, Git, and GitHub. Strong problem-solving and communication skills with a passion for software development and cloud computing. Eager to learn, build practical solutions, and grow in the IT industry.

SKILLS

- **Programming & Web :** Java, Python, HTML, CSS, JavaScript.
- **Cloud computing :** AWS (EC2 , S3)
- **Tools :** Git, GitHub, MYSQL, SQL Lite
- **Soft skills :** Problem solving, Time management, communication, Work Ethic, Accountability

PROJECTS

- **On-Road Vehicle Fuel Breakdown Assistance** - Developed a web application that enables users to request emergency fuel delivery, share their location, and connect with nearby fuel providers, reducing response time during fuel breakdown situations.
- **SaaS-Based CRM (Customer Relationship Management) System**– Developed a cloud-based CRM application to manage customers, sales leads, tasks, and secure user authentication efficiently.
- **Smart Transportation & Parcel Management System** – Designed a Transportation and Parcel Management System that allows booking parcels, real-time tracking and manage parcels delivery efficiently.

INTERNSHIP EXPERIENCE

- **ThinkPulse Automation** – Worked as a Flutter Developer Intern, building IoT mobile applications with Flutter, implementing user interfaces, API integration, and application testing.
- Developed cross-platform mobile applications using Flutter and Dart.
- Designed responsive UI for IoT-based mobile applications.
- Integrated REST APIs for data communication.
- Tested, debugged, and optimized application performance.

EDUCATION

Bachelor of Technology in Information Technology **2023 – 2027**

Excel Engineering College, Tamil Nadu
CGPA: 8.0

CERTIFICATIONS & ACTIVITIES

- Programming In Java – NPTEL
- Cyber Job Simulation (Cybersecurity) – Deloitte
- Frontend Development Certification – GUVI
- Participated in Cognizant Technoverse Hackathon 2026.
- Paper Presentation on Block Chain – Velalar College of Engineering and Technology
- Ethical Hacking - NPTEL
