Experiences

HR Recruiter Intern
Ascent eDigit Solution — June 2026 - September 2026

- Sourced and identified qualified candidates through job portals, Naukri, Indeed, and employee referrals.
- Screened resumes and conducted initial candidate assessments based on job requirements.
- Shortlisted suitable candidates and coordinated interview scheduling with hiring managers.
- Managed end-to-end recruitment coordination while ensuring a smooth candidate experience.
- Gained hands-on experience in white-collar recruitment, handling hiring requirements across various corporate and operational roles.
- Supported recruitment for an IT hardware sales and services company, sourcing and screening candidates for positions including Area Sales Manager, Purchase Coordinator, Software Test Engineer, Software Intern, and HR Intern, based on organizational hiring requirements.
- Maintained candidate databases, prepared recruitment reports, and supported onboarding and recruitment documentation.
