CAREER OBJECTIVE

A highly motivated electrical and electronics engineering graduate seeking an entry-level position to apply my knowledge in electrical engineering, contribute effectively to organizational success, and develop strong technical and professional skills in a challenging environment.

EDUCATION

BE.ELECTRICAL AND ELECTRONICS ENGINEERING
Velalar College Of Engineering And Technology Erode.
CGPA : 7.6/10 (upto 6th semester)

DIPLOMA IN ELECTRICAL AND ELECTRONICS ENGINEERING
Sakthi Polytechnic College Erode.
2021-2024
Percentage - 79%

SSLC
Grace Matric Higher Secondary School, Erode
2021.

PROJECTS

- **IOT BASED GRAVITY IRRIGATION SYSTEM**
  This system collects real-time data from the field (like soil moisture, water level, and temperature) and uses it to control water flow automatically.
- **WATER FLOW DETECTION AND UV FILTRATION SYSTEM**
  A flow sensor detects when water is moving and sends a signal to a controller. The controller then turns on the UV filter, where ultraviolet light kills harmful microorganisms like bacteria and viruses.
- **ADVANCED DUAL-AXIS SOLAR TRACKING SYSTEM FOR MAXIMUM EFFICIENCY**
  A dual-axis solar tracker follows the sun in two directions to capture maximum sunlight. This increases energy output and efficiency compared to fixed panels.

INTERNSHIP

- **HYUNDAI MOTOR COMPANY**
  I interned at the Lotus Hyundai service unit of Hyundai Motor Company, gaining hands-on experience in vehicle maintenance, diagnostics, and basic troubleshooting.
- **TANGEDCO**
  I worked as an intern at Tamil Nadu Generation and Distribution Corporation, where I gained practical knowledge in power distribution, electrical systems, and maintenance activities.

WORKSHOP

- PALS - THINK 2 IMPACT WORKSHOP
- IBM ENTEPRENEURSHIP WORKSHOP
- ELECTRICAL MACHINES HANDLING WORKSHOP
- E-VEHICLE TECHNOLOGY AND BMS WORKSHOP

SKILLS

- Electrical vehicle
- IoT & Automation Basics
- AutoCAD
- MATLAB/Simulink
- Multisim

FAVORITE SUBJECT

- E - Vehicles
- Electrical Machines
- Generation Transmission and Distribution
- Electronics Device And Circuits

STRENGTHS

- Quick learner
- Teamwork
- Problem-solving ability
- Good communication Skill

LANGUAGES

- English
- Tamil
