EDUCATION

B.E -COMPUTER SCIENCE AND ENGINEERING - CGPA 8.42

Kongunadu College Of Engineering And Technology.

SSLC - 92% | HSC -77%

Green Park Matric.Hr.Sec.School

SKILLS

- JAVA
- HTML
- CSS
- Javascript
- MongoDB(Basic)
- MySQL
- UI/UX Design(Basic)

CERTIFICATION

- Infosys springboard
- MongoDb

VALUE ADDED COURSE

- Data Analytics With Python.
- Web Application Development.

LANGUAGE

- Tamil
- English
- Malayalam

HOBBIES

- Singing
- Badminton

INTERNSHIPS

- Full Stack Web Development at Lumilearn institutions
- Full Stack Development at e-soft IT solutions

PROFILE

To obtain a Challenging position to the best utilization of my skills and looking for opportunities to grow my technical skills and ready to fulfill organization goals.

PROJECT

AN AUTOMATED FRAMEWORK FOR EARLY IDENTIFICATION OF PRE-ECLAMPSIA

- Description: Built a Python-based AI system to predict pre-eclampsia risk using machine learning, with an interactive dashboard and Explainable AI for transparent clinical insights; published in IJSRET.
- Role : Developed the web-based AI framework in Python, implemented ML models and XAI techniques, and co-authored the research paper

SMART IRRIGATION SYSTEM

- Description : A smart irrigation system automates watering using sensors and weather data, ensuring efficient water use and reducing waste for sustainable agriculture or landscaping.
- Role : Developed a sensor-integrated system to automate watering and optimize water conservation.

FURNITURE WEBSITE DESIGN

- Designed a modern and responsive furniture website using only HTML and CSS. Included homepage banner, product listings, interior sections, and newsletter form. Focused on clean layout and mobile-friendly design.
- Tech: HTML, CSS

CO-CURRICULAR ACTIVITIES

PAPER PRESENTATION

- Title:"Quantum computing" at chettinad college of engineering and technology
- Title:"Role of AI in EV" at Erode sengunthar Engineering College

EXTRA CURRICULAR ACTIVITIES

- CSI Membership
- ISTE
- Multimedia club
- Tamil mandram

ACHIEVEMENTS

- Runner in Throw Ball at Kongunadu College of Engineering And Technology

WORKSHOP

- Title:"E-vehicle Design" at Erode Sengunthar Engineering College

TECHNICAL ACTIVITIES

- Participate in Smart India Hackton
- Participate in Moving Minds
