LinkedIn: linkedin.com/in/kabine-ramamoorthi-846730326 | **GitHub:** github.com/Kabine555

Objective:

Aspiring Software Engineer with strong knowledge of Java, SQL, and software development principles. Experienced through internships in data analysis and visualisation, with hands-on development of Java and full-stack applications. Passionate about building efficient software solutions, solving real-world problems, and continuously learning new technologies.

Experience:

Data Science Intern | **Mist Software Solution, Coimbatore:**

• Performed data analysis and predictive modelling using Python and SQL to derive insights from datasets.

AI & Data Science Intern | **Cube AI Solutions Tech Tiruchengode:**

• Developed an AI-powered Presentation Maker and created interactive Tableau dashboards using Java, MERN

Technical Skills:

Programming Languages: Java, Python (Basic)

Database: SQL, MongoDB (Basic)

Data Analytics & Visualisation: Tableau, Power BI, MS Excel

Tools: GitHub, MS Word, VS Code

Core Skills: Object-Oriented Programming (OOP), Software Development, Debugging, Problem Solving

Coding Platforms: HackerRank, LeetCode

Projects:

Smart Civic Issue Reporting and Resolution System | *MERN Stack*

• Developed a full-stack web application for citizens to report, track, and manage civic issues.

• Implemented user authentication, issue reporting, image uploads, location-based reporting, and issue status tracking

AI Presentation Maker | *Python, MERN Stack, AI*

• Developed an AI-powered web application that generates presentation slides based on user input.

• Integrated AI capabilities with a web interface to automate and simplify presentation creation.

Li-Fi-Based Data Communication System | *IoT, Arduino, Li-Fi*

• Developed an IoT-based Li-Fi system for wireless data transmission using LED light.

• Implemented data transmission through visible light communication using Arduino-based hardware.

Education:

Nandha Engineering College -Erode **(Current CGPA : 8.3/10.0)** 2023-2027

Bachelor of Technology in Artificial Intelligence and Data Science

Certifications & Achievements:

• Python Workshop – **IIT Madras** (Dec 2023) | Java Programming Certificate – Coursera

• **2nd Place – 24-Hour Hackathon** | **NPTEL:** Cloud Computing | Forest Management(Elite)

Extracurricular Activities:

National-Level Throwball & Tennikoit Player | Interests: Chess, Shuttle

Languages & Soft Skills: English, Tamil | Strong Communication and Presentation Skills
