CAREER OBJECTIVE

To perceive a career in a reputable organization with challenging opportunities for the growth of the organization and also to develop my career.

ABOUT MY SELF

I am a hardworking and dedicated person, with an altruistic character, which helps me work efficiently both as a leader as well as a team member with optimism and enthusiasm.

Work Experience -1

- **Company Name** **: HCL Tech Ltd**
- **Designation** **: SME/Senior Analyst - Australian Mortgage Broking Specialist**
- **Duration** **:** From 08 July 2024 to At Present

Roles & Responsibilities:

- Detail-oriented and high-performing Mortgage Professional with extensive experience in the Australian mortgage lifecycle, specifically within the CBA ecosystem.
- Proven track record of leading high-volume operations, ensuring 100% compliance with lender policies, and driving team productivity.
- Expert in managing First Home Buyer Grants (FHBG), mortgage funding processes, and complex file verification.
- Seeking to leverage strong leadership skills and deep domain expertise in an Australian mortgage Team Lead role.

Professional Experience:

- Operational Leadership: Manage a team of 30 analysts, ensuring adherence to strict turnaround times (TAT) and quality benchmarks for CBA mortgage applications.
- Quality Assurance: Conduct detailed reviews of loan files, including income verification, asset assessments, and liability checks to ensure alignment with CBA's credit policies and NCCP regulations.
- Escalation Management: Serve as the primary point of contact for complex file escalations and broker queries, resolving issues to facilitate seamless loan funding.

Working Process:

Accredited with major lender - CBA

- Provided tailored mortgage solutions to a diverse client base, including first-home buyers, investors, and refinancers, in accordance with NCCP and responsible lending obligations.
- Managed the end-to-end loan application process from needs analysis and credit assessment to submission, approval, and settlement.
- Maintained up-to-date knowledge of lender policies, interest rate changes, and credit criteria to provide informed recommendations.
- Ensured compliance with all ASIC, MFAA/FBAA, and AFCA requirements; maintained accurate file notes, supporting documents, and client disclosures via CRM systems (e.g., MYCRM, Mercury and Infinity).
- Delivered exceptional customer service with post-settlement follow-ups, loan health checks, and refinancing strategies to support long-term financial wellbeing.

Specializations:

- Investment Lending & Portfolio Structuring
- First Home Buyer, Multiple Securities
- Complex Credit Scenarios (Self-Employed, Lo Doc)
- Refinance, Cashout & Debt Consolidation
