Databases: MySQL, Firebase
AI/ML Tools: TensorFlow, Pandas, NumPy
Developer Tools: GitHub, VS Code

AREAS OF INTEREST

- Full Stack Web Development
- Frontend and Backend Development
- Database Management
- Artificial Intelligence and Machine Learning
- Software Development and Data Analysis

INTERNSHIP EXPERIENCE

Full Stack Development Intern — Gateway Software Solutions, Coimbatore
- Developed responsive web applications using Angular and Firebase.
- Integrated frontend components with backend and database services.

AI Chatbot Intern — Marcello Tech, Tiruchy
- Assisted in developing AI-powered chatbot solutions and conversation flows.
- Tested and improved chatbot responses and user interactions.

Web Developer Intern — Nutz Technologies, Erode
- Developed responsive web pages using HTML, CSS, JavaScript, and Bootstrap.
- Worked on frontend development, testing, debugging, and backend integration.

PROJECTS

Virtual Science Lab Simulation
- Developed a web-based platform for performing virtual Physics, Chemistry, and Biology experiments.
- Provided interactive simulations and student performance tracking for better learning.

Smart City Issue Reporter
- Developed a web application for reporting potholes, garbage, water leakage, and streetlight issues.
- Enabled users to upload images, provide location details, and track complaint status.

AI Smart Agriculture Assistant
- Developed an AI-based platform to support farmers with crop recommendations and disease prediction.
- Provided weather information along with irrigation and fertilizer guidance.

CERTIFICATIONS

- AWS Certified Cloud Practitioner – Amazon Web Services.
- Computer Network and Internet Protocol – NPTEL.
- Full Stack Development – Gateway Software Solutions.
- Web Development – Nutz Technologies.

- AI Chatbot Development – Marcello Tech.
- Artificial Intelligence – Novi Tech.

ACHIEVEMENTS

- Selected among the **Top 5 teams** in an 8-hour Hackathon at GCE, Erode, out of 30 participating teams.
- Awarded **Best Idea** in the EDC Cell B-Plan Ideathon for presenting an innovative business solution.
- Participated in Frontend Battle 2.0 and received appreciation in the Indian Art Fest Competition 2024.
