DHIVAGAR S

OBJECTIVE

Motivated Electronics and Communication Engineering student with a strong interest in learning new technologies and applying academic knowledge to solve real-world problems.

EDUCATION

Kongunadu College of Engineering and Technology — Trichy, Tamil Nadu
B.E – Electronics and Communication Engineering — *2023 – 2027*
– Current CGPA: 8

Kongunadu Polytechnic College — Trichy, Tamil Nadu
B.E – Electronics and Communication Engineering — *2022 – 2024*
– Aggregate: 88%

Aurobindo Matriculation Higher Secondary School — *2020– 2021*
Higher Secondary Certificate (HSC)
– Aggregate: 81%

TECHNICAL SKILLS

Programming Languages: Java ,Apex
Hardware & Tools: PCB Design,Iot

PROJECTS

IOT based smart monitoring system for mining workers — 2025
An IoT-based smart monitoring system for mining workers tracks vital signs and environmental conditions .Wearable sensors and wireless networks transmit data to a central hub for analysis.
Alerts are triggered if safety thresholds are exceeded, enabling quick response and improving worker safety. Features may include fall detection, gas leak alerts, and evacuation guidance

Driver health and drowsiness monitoring system using IOT — 2026
A driver health and drowsiness monitoring system uses IoT sensors to track vital signs and detect fatigue or drowsiness. Cameras and sensors monitor driver behavior, alerting them if signs of drowsiness are detected.
The system can also track vehicle parameters like speed and steering patterns.Some systems integrate with vehicle systems to take control or suggest breaks.

EXPERIENCE

Mee Technology — June *2025*

- Gained hands-on experience in Full Stack Development, building responsive web applications using front-end and back-end technologies
- Collaborated on real-world projects, enhancing skills in coding, debugging, API integration, and software deployment.

AREAS OF INTEREST

- Java Programming
- Object-Oriented Programming(OOP)
- Salesforce Development
- Problem Solving

CERTIFICATIONS

PCB Design & Fabrication | *Value Added Course, Dept. of ECE, Kongunadu College*
Core Java | *Value Added Course by Yellomatics, Kongunadu College*
NPTEL| *Introduction to industry 4.0 and industrial internet of things* |84%

EXTRACURRICULAR

Active member of ECE department technical clubs; participated in project expos and electronics workshops. **L**

Language

Tamil (Native),English(Professional Working proficiency),Telugu.
