Musiri Trichy

Objective

Motivated Electronics and Communication Engineering student seeking an entry-level position in Embedded Systems to utilize my technical skills, gain practical experience, and contribute effectively to organizational success.

Skills

- C
- Java basics

Language

Tamil

English

Internship

E-soft It solution
WEB DESIGN
Web Design is the process of creating and designing websites that are visually attractive, user friendly, and responsive on different devices such as computers, tablets, and mobile phones.

Education

B.E ELECTRONICS AND COMMUNICATION ENGINEERING
KONGUNADU COLLEGE OF ENGINEERING AND TECHNOLOGY
2023 – 2027
6.5

Hsc
Amala matric hr sec school musiri
2022 – 2023
51

Sslc
Amala matric hr sec school musiri
2020 – 2021
100

Courses

PCB design

Embedded and IOT

Additional Information

- Winner, Badminton Tournament.
- Demonstrated leadership, teamwork, and commitment through sports participation.

Projects

Real time UART based communication system using verilog hdl
To leverage my knowledge of Verilog HDL, digital electronics, and FPGA design in an Embedded Systems role, utilizing experience gain developing a Real-Time UART-Based Communication System

Communication analysis in underground sensor
Analyzed communication performance in underground sensor networks by evaluating signal propagation, transmission reliability, and network efficiency to enhance data communication in underground environments.
