OBJECTIVE

Final-year Artificial Intelligence and Data Science student with a strong foundation in Java, C, SQL, OOPs, and DBMS, along with hands-on experience in full-stack web development using HTML5, CSS3, and JavaScript. Strong problem-solving and logical thinking abilities with a passion for software development and real-world applications. Currently strengthening skills in TypeScript, React, React Native, and Node.js, seeking a Software Engineer opportunity to contribute to impactful projects.

EDUCATION

Sri Shanmugha College of Engineering and Technology, Salem **June 2023 - June 2027**
B.Tech - Artificial Intelligence And Data Science
CGPA : 8.58

Government Girls Higher Secondary School, Tiruchengode (HSC) **June 2022 - May 2023**
Percentage 86%

TECHNICAL SKILLS

Programming Language : Java , C

Web Development & Design : HTML, CSS, Javascript, Bootstrap.

Database : MySQL

Concepts : OOPS, DBMS

Tools & Platform: VS Code , GitHub

Soft Skills: Quick Learner, Problem Solving, Adaptability, Communication Skills

PROJECTS

Smart Face Biometric Attendance System GitHub

- Built an enterprise-grade college attendance ERP with face biometric verification and GPS geo-fencing to ensure attendance is marked only within campus premises
- Implemented JWT authentication with bcrypt password hashing and role-based access control (RBAC) across Student, Staff, and Admin dashboards
- **Tech Stack :** React.js, Node.js, Express.js, PostgreSQL, face-api.js

CERTIFICATIONS

- Programming in Java — **NPTEL, Elite + Silver Certification**
- Java Full-Stack Web Development — **NoviTech**

ACHIEVEMENTS

Startup Idea Presentation "Zero to One" (2024) — Hall Arrangement System: Presented a concept project for a web-based hall booking system, applying front-end development concepts to design an efficient, user-friendly interface featuring real-time availability checks and conflict-free booking management.

ADDITIONAL INFORMATION

- Solved 50+ algorithmic problems on LeetCode, strengthening coding proficiency
- Maintained a 365+ day problem-solving streak on LinkedIn
