Kattuputhur,Trichy

Skills

Technical Skills

- C
- Java

Soft Skills

- Problem Solving
- Leadership
- Critical Thinking

Certification

- Embedded System-Taras System and Solutions

Language

- Tamil
- English

Extra curricular

National Service Scheme

- Conducting a various camps like Blood camps ,Veterinary camps,General health awarness camps,etc..

Hobbies

- Traveling
- Reading Books

MOUNISH K

PROFILE

Motivated Electronics and Communication Engineering student with a strong foundation in electronics, embedded systems, and programming. Passionate about learning new technologies and solving real-world problems, seeking an opportunity to apply my technical and problem-solving skills while growing as an engineer.

EDUCATION

B.E Electronic and Communication Engineering

Kongunadu college of Engineering and Technology	CGPA :7.00	2023 – 2027

HSC

Kalaimagal Matric Higher Secondary School	Percent: 70%	2022 – 2023

SSLC

Kalaimagal Matric Higher Secondary School	All Pass(100%)	2020 – 2021

Projects

IoT Based Home Automation With Secure MQTT Communication

Developed an IoT-based home automation system using ESP32/ESP8266 to remotely monitor and control home appliances. Implemented the lightweight MQTT protocol for efficient communication and secured data transmission using authentication and SSL/TLS. The system provides reliable, low-power, and secure remote access for smart home applications.

Real Time Landslide Surveillance System With Environment Sensor

Developed an IoT-based landslide monitoring system using soil moisture, rainfall, vibration, and tilt sensors to continuously track environmental conditions. The system analyzes real-time data to detect potential landslide risks and sends early warning alerts to authorities and nearby residents for timely action.

Internship

Extol Tech Solutions,Erode. (Jun 2025)

Completed an internship in Networking at ETS, Erode, where I gained practical knowledge of computer networks and networking concepts. Learned network configuration, IP addressing, routing, switching, and basic network troubleshooting. Strengthened my understanding of network communication and industry practices.
