PROFESSIONAL SUMMARY

Computer Science and Engineering student seeking opportunities to contribute to innovative software projects while continuously expanding technical expertise. Passionate about creating efficient, user-focused solutions through creativity, analytical thinking, and a strong commitment to professional growth.

EDUCATION

Bachelor of Engineering (B.E.) – Computer Science & Engineering
Kongunadu College of Engineering and Technology, Thottiyam
2023 – 2027

Higher Secondary School (HSC)
Government Boys Higher Secondary School, Thathiengarpet
2021 – 2023
83%

INTERNSHIP EXPERIENCE

Artificial Intelligence & Machine Learning Intern
Witspire Solutions | December 2025

- Worked on machine learning concepts and AI applications.
- Assisted in implementing AI-based solutions.
- Gained practical exposure to real-world industry projects.

UI/UX Design Intern
Synovers Technology | June 2025

- Designed user-friendly interfaces using Figma.
- Developed prototypes and interactive designs.
- Collaborated with developers to enhance user experience.

PROJECTS

WorkEdio – AI Powered Placement Preparation Platform
Technologies: Python, Django, HTML, CSS, JavaScript, MySQL, AI/ML

- Developed an AI-powered placement preparation platform.
- Implemented AI-based HR interview evaluation.
- Built resume builder and job search modules.
- Added performance tracking and analytics.

SafeFlame – IoT Gas Leak Detection System
Technologies: Arduino, MQ-2 Sensor, GSM Module, Embedded C

- Designed a real-time gas leak detection and monitoring system.
- Implemented SMS alert system and automatic power cutoff.
- Developed monitoring dashboard with LCD integration.

TECHNICAL SKILLS

Programming Languages

- Python
- Java

Artificial Intelligence & Machine Learning

- Artificial Intelligence
- Machine Learning

Soft Skills

- Problem Solving
- Time Management
- Adaptability

CERTIFICATIONS

- Core Java Certification
- Python Programming Certification
- NPTEL – Introduction to IoT
- NPTEL – Software Testing

LANGUAGES

- Tamil
- English

ACHIEVEMENTS

- Participated in multiple technical symposiums and hackathons.
- Presented academic projects at college technical events.
- Completed AI/ML and UI/UX internships successfully.
- Active member of technical and multimedia clubs.
