SAJITHA S

Aspiring Electronics and Technology Professional

+91 7305315023 | ssajitha037yhss@gmail.com | Marthandam,TN

PROFILE

Final-year Electronics and Communication Engineering student with Hands-on exposure to Arduino, embedded programming, ESP32, Python, circuit design, Automation and sensor-based projects. Passionate about how hardware and software integrate to develop practical solutions in automation and real-world applications. Motivated to apply my technical knowledge, learn new technologies, and contribute to practical engineering solutions.

EDUCATION

Bachelor Of Engineering | **Electronics And Communication Engineering** | sept 2023 - April 2027
Ponjesly College Of Engineering | Nagercoil |

- **GPA** - 7.8/10

Higher Secondary Education | **Yettacode Higher Secondary School** | Yettacode |

- **SSLC** - 85% , Mar 2021 | **HSC(+2)** - 81% , Mar 2023

INTERNSHIP

Exovian Robitics Pvt Ltd - Embedded Systems

Gained hands-on experience in embedded systems, Arduino C++ programming, and circuit design.Developed practical skills in hardware interfacing, sensors, and microcontroller-based systems.Enhanced understanding of embedded programming, circuit integration, and real-time implementation.

Wipro Limited - Data Science with Python(Placement Training)

Completed a three-month training in Data Science with Python, developing a good foundation in Python programming and problem-solving. Gained basic exposure to data analysis, statistics, AI/ML concepts, and Python libraries.

CERTIFICATIONS

1. Completed Embedded Systems For IoT Applications using Raspberry Pi and IoT Application(ESP32) course under Naan Mudhalvan Programme.
2. Completed a Course on IoT & Data Analysis-NIELIT,Online

PROJECTS

- Color Based Product Sorting System-Designed a Sensor-based system to detect and sort products by color.

PROJECT EXPOSURE

- Smart Traffic Light Management System
- Smart Home Automation System

SKILLS

Python | Arduino | Circuit Integration | IoT | ESP32 | Sensor Interfacing | Embedded Systems

ACHIEVEMENTS

- Secured 2nd Place in the Technical Quiz at a National-Level Symposium conducted by Rohini College.
- Participated in Flavor Hunt conducted as part of the ELECSPARK'25 Symposium.
- Secured 2nd Place in the Technical Quiz at a Symposium conducted by St. Xavier's College.
- Participated in SIH2026(Smart India Hackathon)-Idea Presentation

CORE STRENGHTS

Problem-Solving | Quick Learner | Adaptability | Time Management | Communication | Confidence | Positive Attitude

ADDITIONAL INFORMATION

Open to new opportunities and eager to learn, contribute to the organization, and grow professionally. I also frequently practice coding on platforms such as HackerRank and Leetcode.
