SKILLS

- UI Automation
- Selenium
- TestNG Framework
- Java Programming
- Object oriented programming language
- Agile methodology
- Manual testing
- Regression testing
- UAT testing
- API testing
- Jira, Confluence
- Test cases creation
- Test scenario
- Test Planning
- Functional testing
- Test documentation
- Automated testing
- Black box testing
- Defect tracking
- Documentation and reporting
- Jenkins build
- Critical thinking
- Quality assurance
- Problem-solving

EDUCATION

05/2017
Nehru Institute of Engineering And Technology
Coimbatore, India

Bachelor of Engineering: Mechanical Engineering
